

Gainesville Potter's House Christian Academy
6th Grade - **August** Lesson Plan

Theme of the Month

"It is the glory of God to conceal a matter, but the glory of kings is to search it out." - Proverbs 25:2

Students will grow academically and spiritually by connecting learning across **English, Math, Science, and History**:

- **ELA:** What is Language and How can I Use it?
- **Math:** Express whole numbers and decimals.
- **Science:** Explore atomic structure, the periodic table, molecules and compounds, energy, and states of matter.
- **History:** *In The Beginning*

Vocabulary Words

Week	English Vocabulary	Math	Science	History
Week 2	Attitude, difficult, develop, puffin, prompt, challenge, cluster, kelp, defend, continent, manatee, ministry, establish, document, instrument, exercise, prosper, gratitude, liberty, ascend, standard, octopus, algae, astonishments, and privilege.	decimals, minuend, subtrahend, factors, products, rational number	Matter, Atom, Elements, Nucleus, Proton, Neutron, Atomic Mass, Electron, Atomic Number	Integrity ,loyalty, respect
Week 4	Coastal, release, savior, ignite, exclude, escape, ocean, disease, resume, astray,cucumber, hygiene, sacred, senior, molten, persuade, nutrients, precise, junior, and environment.	positive number, negative number	Chemical Symbols	

Core Class Lesson Plans

Week	English	Math	Science	History
Week 1	Lesson/Focus: Rules, policies, expectations, and classroom flow. I Can: Follow classroom rules and expectations, be prepared in case of any emergency, know my teacher's goal and execute it thoroughly, set my own personal goals, and memorize the church's address. Expectations: Be open to learning classroom flow and respecting it. Homework: Church's Address memorized, and Syllabus returned with signature. School's Address	Lesson/Focus: Building our classroom & School our community. Standard: Understand classroom and school rules. I Can: I can help create a welcoming classroom community. Expectations: Follow class routine. Homework: A-Z All about me & Syllabus	Lesson/Focus: Science Orientation and Lab Safety. Standard: Orientation Week I Can: I can follow science-class routines and safely participate in laboratory activities. Expectations: Review the syllabus, classroom procedures, and lab-safety rules. Identify safety equipment and organize the science notebook. Homework: Return the syllabus and lab-safety acknowledgment.	Lesson/Focus: rules and policies in the school and classroom Standard: make sure students clearly understand the rules and policies I Can: help create a positive learning environment . Expectations: that student follow the same rules and policies Homework: Quiz
Week 2	Lesson/Focus: What is Language Standard: Why did God create language / BJU Press List 1 Spelling 6 I Can: - Understand the importance of language and I can use it the correct way!	Lesson/Focus: Number System Standard: MA.6.NSO.1.1 MA.6.NSO 2.1, MA.6.NSO 2.2 I Can: I can express numbers in multiple forms. I can add whole numbers. - I can subtract whole numbers and identify decimals place value. - I can add & subtract decimals. I can use a part-whole model to solve problems.	Lesson/Focus: Ch. 1 - Atoms and Molecules. Standard: SC.8.P.8.7 - Atomic structure; SC.8.P.8.5 - Elements and compounds. I Can: I can identify the parts of an atom, use the periodic table to describe elements, and distinguish molecules from compounds.	Lesson/Focus: In the beginning Standard: SS 6 W.1 .1 I Can: teach students the bible is completely accurate as the source for how it began . Expectations: the students learn about history .

	- Pronounce my vocabulary words, spell them correctly, and use them in a sentence. - Reading fluency evaluations. - Reading comprehension evaluations. Expectations: Students will show their ability in learning language and expanding their vocabulary. Homework: List 1 List 1 quiz	Expectations: Students will demonstrate an understanding of place value by expressing numbers in multiple forms, accurately add and subtract whole numbers and decimals, and use a part-whole model to solve mathematical problems while explaining their reasoning. Homework: Place Value & Decimals	Expectations: Students will be able to demonstrate knowledge of the structure of the atom. Homework: Finish incomplete SE/ALM work and review vocabulary.	Homework: read the book page 3 to 11 and answer the question .
Week 3	Lesson/Focus: Pre-Academic Evaluations I Can: I can take the pre-academic evaluation.	Lesson/Focus: Pre-Academic Evaluations I Can: I can take the pre-academic evaluation.	Lesson/Focus: Pre-Academic Evaluations I Can: I can take the pre-academic evaluation.	Lesson/Focus: Pre-Academic Evaluations I Can: I can take the pre-academic evaluation.
Week 4	Lesson/Focus: Type of Sentence Standard: ELA 6 TE. 1.1/1.2/1.3/1.4/1.5 I Can: - Identify different type of sentences -Identify prepositions -I can distinguish between simple, compound, and complex sentences. -I can identify subjects, predicates, and compound subjects or predicates.	Lesson/Focus: Number System Standard: MA.6.NSO. 1.2 MA.6.NSO.1.3 MA.6.NSO.1.4 I Can: I can read and write Roman numerals. - I can use logic to identify patterns. -I can apply all knowledge acquired to the Test. Expectations: Students will demonstrate their understanding by reading and writing Roman numerals, using logical reasoning to identify and extend patterns, and applying the skills learned throughout the unit to	Lesson/Focus: Ch. 1-2 - Atoms and Molecules / States of Matter and Thermal Energy Standard: SC.8.P.8.1 - Particle model and states; SC.6.P.11.1 - Energy forms. I Can: I can review atoms and molecules, demonstrate Chapter 1 mastery, identify forms of energy, and describe states of matter. Expectations: Students will be able to identify the number of	Lesson/Focus: Geography and the Earliest Civilizations Standard: SS.w 1.2 I Can: teach the students every event ,geography and culture Expectations: students will be able to know about culture , geography and earliest civilization . Homework: activity page 3 -17

	Expectations: Students will show understanding by making sentences and also recognizing them. They will participate in class questions and games showing me that they have understood to the level of teaching anyone who hasn't. Homework: List 2 Spelling, Lesson 1.4 and 1.5 in ELA worktext List 2 Quiz	successfully complete the assessment. Homework: Roman Numerals & Patterns Test 09/04/2026	atoms and molecules in chemical compounds of different kinds. Homework: Study Chapter 1 notes and finish assigned SE/ALM work. Chapter 1 Test	Test 9/8/2026

Materials Needed for the Month: Spiral Notebook, Listening Ears <table border="1"> <thead> <tr> <th>Week</th><th>Lesson</th><th>I Can</th></tr> </thead> <tbody> <tr> <td>1</td><td>Orientation</td><td>I can understand Mr.Cruz's rules and expectations for a great year of Music!</td></tr> <tr> <td>2</td><td>Lesson 1: History, Musical Concepts, and Guided Listening</td><td>I can actively listen, identify musical concepts and vocabulary, and connect the piece to its historical and cultural setting.</td></tr> <tr> <td>3</td><td>Pre - Academic Evaluations</td><td>I can take the pre-academic evaluation.</td></tr> <tr> <td>4</td><td>Lesson 2: History, Musical Concepts, and Guided Listening</td><td>I can actively listen, describe musical concepts and vocabulary, and connect the piece to its historical and cultural setting.</td></tr> </tbody> </table>	Week	Lesson	I Can	1	Orientation	I can understand Mr.Cruz's rules and expectations for a great year of Music!	2	Lesson 1: History, Musical Concepts, and Guided Listening	I can actively listen, identify musical concepts and vocabulary, and connect the piece to its historical and cultural setting.	3	Pre - Academic Evaluations	I can take the pre-academic evaluation.	4	Lesson 2: History, Musical Concepts, and Guided Listening	I can actively listen, describe musical concepts and vocabulary, and connect the piece to its historical and cultural setting.	Materials Needed for the Month: The bible king James <table border="1"> <thead> <tr> <th>Week</th><th>Lesson</th><th>I Can</th></tr> </thead> <tbody> <tr> <td>1</td><td>Introduction to the OLD TESTAMENT</td><td>I can define the old testament . Explain why christians study the O.T.</td></tr> <tr> <td>2</td><td>Why still important today</td><td>2Timothy 3: 16-17 all scripture is inspired by God</td></tr> <tr> <td>3</td><td>What is the Bible?</td><td>I can diff.between the O.T and N.T</td></tr> <tr> <td>4</td><td>Creation, The fall, & Noah</td><td>What leans about God` s character</td></tr> </tbody> </table>	Week	Lesson	I Can	1	Introduction to the OLD TESTAMENT	I can define the old testament . Explain why christians study the O.T.	2	Why still important today	2Timothy 3: 16-17 all scripture is inspired by God	3	What is the Bible?	I can diff.between the O.T and N.T	4	Creation, The fall, & Noah	What leans about God` s character
Week	Lesson	I Can																																													
1	Orientation	I can understand procedures and rules																																													
2	Course Introduction, Sportsmanship & Safety	I can demonstrate good sportsmanship and follow safety rules during physical education.																																													
3	Dodgeball – History, Origin & Rules	I can explain the history of dodgeball, identify the basic rules, and demonstrate safe participation during game play.																																													
4	Chapter 17 Environmental Health	I can understand pollution, noise pollution and light pollution.																																													
Week	Lesson	I Can																																													
1	Orientation	I can understand Mr.Cruz's rules and expectations for a great year of Music!																																													
2	Lesson 1: History, Musical Concepts, and Guided Listening	I can actively listen, identify musical concepts and vocabulary, and connect the piece to its historical and cultural setting.																																													
3	Pre - Academic Evaluations	I can take the pre-academic evaluation.																																													
4	Lesson 2: History, Musical Concepts, and Guided Listening	I can actively listen, describe musical concepts and vocabulary, and connect the piece to its historical and cultural setting.																																													
Week	Lesson	I Can																																													
1	Introduction to the OLD TESTAMENT	I can define the old testament . Explain why christians study the O.T.																																													
2	Why still important today	2Timothy 3: 16-17 all scripture is inspired by God																																													
3	What is the Bible?	I can diff.between the O.T and N.T																																													
4	Creation, The fall, & Noah	What leans about God` s character
