INFANT CLASS

During August, in our Infant classroom, we had the pleasure of welcoming 3 new children to the classroom. Our littlest learners explored circus animals and have moved into animal exploration now. They are quick studies on the baby sign language that is a part of our curriculum, and having a great time settling in and building friendships together. Ms Nav also rejoined us this month, and we are all excited to have her back!

TODDLER CLASS

Our Toddler class enjoyed exploring letters/numbers/shapes/colors, summer morning community walks, and made all kinds of special memories like picnic popsicles on our Fun in the Sun Day. The classroom is currently embarking on a Dinosaur exploration and learning new things all the time in relation to their focus!

We are excited to welcome the new and returning families joining on September 1st.

PRESCHOOL & SR PRESCHOOL CLASS

In August, in our Preschool/Kindergarten class we opened our second upstairs classroom which will be used to split out our oldest children during nap time and provide some additional focused curriculum for them. Ms. Morgan is leading this age group and classroom and is very excited for what it will hold for the children moving forward. Our mixed

Preschool/Kindergarten classroom explored mythical stories creatures through sensory bins, science experiments, exciting new books, art, and many hands on table work activities.
