Parents Notes:

1. I hereby agree to place my child in Right Start Daycare's program.
2. I understand that if I terminate my child's care and wish to enroll my child again, I will be required to go through the registration and enrollment process at www.rightstartdaycarecalgary.ca again. I will be required to pay the registration fee (non-refundable \$300.00 fee) again.
3. There is an optional monthly food program with a fee of (\$TBD) additional to the base tuition fee at the center. This is billed on the first day of month in combination with the base tuition. There is a separate agreement with further details to sign in relation to the food program.
4. I understand that there is a monthly tuition, which is due on the 1st of the month. If payment is late an additional \$50.00 late fee will be charged and will be required to be paid by e-transfer. I also understand that if all past due balances are not paid within three business days I risk my child's removal from the program. Furthermore, I understand that I am liable for all, if any, overdraft, or bank fees that may apply.
5. I recognize that there are no reduction of tuition for absences due to illness, vacation, school closures, or any other extended absence from the school.
6. I understand that I must give one month's written notice prior to withdrawal of my child from Right Start Daycare, effective on the first of that month OR one month's fee in lieu of a written notice.
7. That emergency care is given in case of accident or illness.
8. That expenses incurred in giving emergency care will be borne by the child's family.
9. There is a firm policy that pick up is required by 5:40-5:45PM as last call for the warm hand off at the end of the day so the staff can complete day end routines. The center closes at 6pm daily and there is a late fee of \$5.00/minute/child for each minute after 6:00pm that my child is in the daycare. I understand that all children and parents must be off site by 6:00pm as per the center's licensing requirements.
10. That my child may use all of the play equipment and participate in all planned activities in the daycare.
11. That the daycare has permission to photograph my child. Photographs will be taken only during typical daycare activities such as play-times, birthday parties, or funny moments. Photographs will be displayed in the daycare and on our social media page. That the daycare has permission for my child to be on video surveillance as part of their security systems in the facility.
12. NOT to use daycare pictures on personal social media of any kind.

13. The daycare is not responsible for lost or stolen articles. Every item that you will bring or use in the daycare should be labelled.
14. In case of emergency such as flood, fire, epidemic, and severe weather conditions, Right Start Daycare has the right to refuse any children drop off.
15. Children need to be free from illness symptoms for 24 hours before they will be permitted to attend the center as per AHS and Licensing regulations. When notified of need to pick up child due to illness/emergency your child must be picked up within 45 minutes of notification.
16. This contract may be terminated by the parent by giving a one month written notice in advance of the ending date. The program also reserves the right to immediately terminate the contract in certain cases. In cases of immediate termination for serious breach of center policies no prorated fees will be reimbursed to the parents. Reasons for a child's care termination may include inability of provider to meet the child's need, behavior/safety concerns based on child's behavior, inability of the child to adjust to the daycare, lack of parent's cooperation and inability of parents to abide by contract and policies, or abuse/aggressiveness from parents/guardians to staff at the center. These may also include failure of the parent to pay the required fees, health and safety reasons of the children in care (with the final judgement/decision of the director/owners if the child's behavior threatens the physical and mental health of the other children in the center and cannot be modified.) Termination due to any of these reasons will be the last resort of parents and center staff being unable to resolve the issue together.
