- Show Update (Brad Crandall): Set up for the show begins at 2 pm on Friday. We have 25 exhibitors registered for our show. Brad brought the table layout for everyone to review and verified that masks at the fairgrounds are not mandated by the county. Robin volunteered to put up and take down the corner signs the day of the show at First Lutheran and the chiropractor's office. Vern will pick up the donuts at Festival and Randy will take down the banners at the fairgrounds after the show ends. A few additional members indicated they would volunteer at various club show tables. Vern Morris suggested members with leaf blowers bring them on Saturday to speed up "sweeping" the Craig Center after the show.
  - **A new Chairman for the show in 2022 is still needed. Please consider stepping up to assume this important role for our club.**

### Notes From the President's Carving Bench

A big thank you to Brad Crandall and his spouse, Karen. As show chairman, Brad brought it all together to make our 2021 show a success. We made a modest amount of funds to ensure our club's solvency and be financially ready for doing a 2022 show. I want to thank all of our club members who helped set up on Friday, helped with the show Saturday, and helped take down and clean up late Saturday afternoon. At this writing, we need to get someone to step forward now to be show chairman for 2022. Without a commitment now, the ability to hold a show will be in great jeopardy. If nobody steps forward by the end of November, the show will have to be cancelled. Our club depends on volunteer efforts. **So many, many thanks to all who have helped put on a great show this year!**
