Access to Site

Thank you for choosing Manor House Barn!
Here you can find a guide to help you find your way around!

Arriving for your lesson

We recommend that you arrive 10-15 minutes before the start of your lesson so you have the time to get changed, use the toilet or just to simply relax before the fun begins!

Parking and access to site

Here are some steps to help you find your way to the pool.

- We are located at the top on Wall Hill Road, down Mill Lane. There should be a green arrow sign reading 'Bridleway'. (Sign is seen from Oldham Road)
- On Mill Lane, follow the road down, pass the two houses on the right, until you reach a long stone wall on your right. You can park your car at the side of the wall on the gravelly road!
- To access the site, there are some steps (just before the blue open gate) which lead straight to our front entrance!
- Please do not park at the top of the hill as this could block access to the vans used by the warehouse further down.

First Time?

There is no sign in, our teachers do this on poolside. So, once you enter, you will walk through our reception area then straight into the changing rooms! From there, you can get changed and go through to the pool area and find a bench to sit down, once the lesson starts, your assigned teacher will come to you!

Alternative access

If you require assisted access to the site, please contact us.

Parent & Baby access

The grey metal gate will be open from 9.45am for Parent & Baby sessions in the mornings, please do not use the steps if you are carrying your baby.

We do ask that our customers to do not use the gate unless necessary for the privacy of the family who live at the property.
