Wellness

A wellness collection focused on improving your health and wellbeing.

2020/2021

Eva & Elm is a range of products which have quickly become indispensable in a new and different world. Focused primarily on and around prevention and care, the products are everyday essentials which help us to live a cleaner life and improve our daily routines.

The Eva & Elm brand is your assurance of reliable products sourced from trustworthy manufacturers.

LIVING LIFE WELL

Sanitisers

Clean hands save lives.

Your greatest defence against infectious diseases like COVID-19, is practising good hygiene by thoroughly washing your hands with soap and water or using an alcohol-based hand sanitiser frequently.

Face Masks

Prevention is better than cure

The use of face masks has become mainstream on a global scale, not only as a preventative measure in terms of contracting infectious diseases, but more importantly as a means to limit the possible spread should you already be infected. Keep yourself and those around you safe with our range of masks.

Useful Tip

As a precaution in terms of limiting the spread of infectious diseases like COVID-19, protect yourself and others by wearing a mask.

Masks are effective only when used in combination with good hand hygiene: frequent hand washing with soap and alcohol-based sanitisers.

These reusable cotton face masks are intended for personal use and not as a replacement for medical grade Personal Protective Equipment (PPE) or other preventative measures recommended by health authorities. Daily washing at a minimum temperature of 60° Celsius recommended.

A close-up photograph of two hands, one from the left and one from the right, with fingers curled to form a heart shape. The background is a soft, out-of-focus bokeh of warm, golden-yellow and white light spots, suggesting an outdoor setting with sunlight filtering through trees. The overall mood is warm, affectionate, and caring.
