

Youth Ambassadors

Contract Clinician for Youth Group Therapy Services

Youth Ambassadors, Inc. (YA) is seeking to contract with a fully licensed clinician to facilitate in-person cognitive behavioral therapy services for youth ages 14-18 years old as an added component to its youth development leadership training programs.

Responsibilities & Duties for Contract Clinicians include:

- Planning, preparing, and facilitating cognitive behavioral therapy for a group of 10-12 youth for a 6 week program onsite at Youth Ambassadors program locations.
- Developing learning materials and resources for use by group therapy participants.
- Establishing and communicating clear objectives for all therapy activities.
- Working to develop healthy relationships and a positive rapport with Ambassadors through effective communication.
- Assisting Ambassadors with maintaining positive behavior by establishing and holding youth accountable to rules and procedures.
- Monitoring and evaluating progress of youth participating in group therapy.
- Communicating necessary information regularly to Ambassadors and YA staff regarding youth progress, development, and needs.
- Documenting notes for each therapy session.

Qualifications

- Master's Degree required; licensure and insurance required to provide therapy services in Missouri and/or Kansas.
- Knowledge of the needs and strengths of youth ages 14-18 and families living in under-resourced and under-invested communities.
- Commitment to social emotional learning and education.
- Integrity, positive attitude, mission-driven, and self-directed leadership style.
- Ability to provide in-person therapy services.
- Ability to use relevant technology.
