Subject: Thank you from NYU

Steve,

Many thanks for so enthusiastically collaborating with us in making your online course materials available to our graduate students. In the area of hotel market analysis and valuation, there is a real shortage of quality current reference material to help enhance the educational experience. Being able to incorporate your written and video materials into our curriculum has allowed us to meaningfully upgrade the course materials for our Design & Development class. As you know, we at the Tisch Center of Hospitality at NYU are very focused on providing a highly relevant educational experience incorporating innovation at every opportunity. Your partnership with us in striving to provide the best possible educational experience is very much appreciated.

Thanks again.

Nicolas
