- Scout POR will be applied at all times.
- Scoring via 'woggle-events' and wi-fi available to zone leaders to the woggle-events website only.
- Radio etiquette to be followed at all times (see separate sheet).
- All staff to check in/out of site over the whole weekend.
- Wristbands to be worn by all Young People and Staff at all times and any person not wearing a wristband is to be challenged.
- Zone and Event staff will be required to wear a hi-vis coloured Necker, with a number, assigned to each individual Staff member at all times. This is to identify all adults on site and to enable 'challenging' at any time of any adult on site without it.
- Please make sure that all of our Young People have fun and go home having the best possible experience that they can. This event can only grow from the experiences and skills obtained by the Young People on your Zone, the feedback they give to their scouting friends and coming back year after year to try and be their best against the rest. This all starts and finishes with you on Zone, so a positive experience is the best experience for us all.
- Lastly, thank you all for everything you do, we could not do it without you all.
