

# THE TORCH

Newsletter of Royal Canadian Legion Kingsway Branch # 175

Jul 2025 Edition

Good day everyone,

A lot has happened since our last newsletter.

Two members of the executive committee have stepped down leaving a void that we need to fill.

Over the past few months there has been a increase of verbal assault towards the executive committee. We cannot let this continue! Members of the executive should be able to attend an event without being approached and bombarded with negativity. Please remember that the executive has also paid to attend the event and would like to relax and enjoy the show.

If you have a concern or complaint please complete a form (which can be obtained from the front office) and drop it in the box.

There are two major points we have to remember as members of the Branch;

The Branch Executive Committee is made up of “**VOLUNTEERS**” doing their best.

We are here for the Veterans, and sometime we need to make small concessions enabling us to work as a team.

By working together, all members of the Branch can benefit, returning us to the “Home of Hospitality”!

We continue to be in, what seems to be, an endless battle to keep the Branch afloat. Increased operation cost coupled with a reduction of income has now require us to have a closer look at relocating the Branch to a more economical facility.

As we navigate the Branch through the next few months we ask for your support and understanding.

On a lighter note, Norma Yerex will be returning as the Volunteer coordinator. Welcome back Norma!

We look forward to seeing you at the Branch.

Yours in Comradeship,

Rick Etmanski  
President

## ***OBSERVATIONS OF WONDERS - FROM YOUR PADRE***

Thank you for allowing me to share some thoughts and make some observations. However, before I begin, please allow me to extend to each and everyone reading this, my hope and prayer that you will be able to enjoy the summer weather. Whether you travel or simply stay local during this season, I suggest there are so many sights and sounds we can take in. Compared to many reading this my wife and I are relatively new commers to Edmonton, but we are finding that there is so much to enjoy. From a short dinner cruise on the Edmonton River Boat, (and no I have no financial investment in this venture) to enjoying some of the many river side hiking trails, and one of my favourites, “Farmers’ Markets,” from the one taking place at our Legion, to St. Albert, and many others.

Summer, what an amazing time of year, and that brings me to some thoughts I would like to share. On June 20, 2025, we enjoyed the most day light hours, of any other day of the year, here in Edmonton. Being so far north, we enjoyed 17 hours and 3 minutes of daylight. And if you are a gardener, you could almost see some of the plants growing. As I reflected on these yearly phenomena, I was quickly reminded that in 6 months from now on December 21<sup>st</sup>, we will experience only 7 hours and 27 minutes of daylight. Sorry, I don’t want this to be depressing, but like I was saying, as I reflected, I had to stop and ask, “who is responsible for these yearly happenings? How did it all start? As I read some more, I came to a new sense of awe as it were. During our Summer Solstice, for those of us in the Northern Hemisphere, the earth tilts mostly toward the sun, and the tilt of the earth’s axis is exactly 23 degrees.

As I pondered the wonders of our earth, its rotation and orbit around the sun. As I watch, the pictures coming back from first the Hubble Telescope, and now the James Webb Telescope, and see the almost daily new discoveries of new galaxies, stars and other heavenly bodies, my thoughts are drawn to a Creator God. Years ago, I concluded that this earth, our world which is really only a tiny speck in the universe, must have been created and now controlled by our Creator. Scientists tell us that he slightest shift on our earth’s axis, and we would either freeze instantly or burn up by the sun.

I am reminded of what the Poet said in Psalm 19:

**The heavens proclaim the glory of God; the skies display his craftsmanship.  
Day after day they continue to speak; night after night they make him known.  
They speak without a sound or word; their voice is never heard.  
Yet their message has gone throughout the earth, and their words to all the world.  
God has made a home in the heavens for the sun. It bursts forth like a radiant bridegroom  
after his wedding. It rejoices like a great athlete eager to run the race.  
The sun rises at one end of the heavens and follows its course to the other end.  
Nothing can hide from its heat.**

And then these words in Psalm 8:

**O LORD, our Lord, your majestic name fills the earth!  
Your glory is higher than the heavens.  
When I look at the night sky and see the work of your fingers, the moon and the stars you set in place,  
what are mere mortals that you should think about them, human beings that you should care for them?  
Yet you made them only a little lower than God, and crowned them with glory and honor.**

## ***OBSERVATIONS OF WONDERS - FROM YOUR PADRE***

**You gave them charge of everything you made, putting all things under their authority, the flocks and the herds, and all the wild animals, the birds in the sky, the fish in the sea, and everything that swims the ocean currents.**

**O LORD, our Lord, your majestic name fills the earth!**

I find it hard, not to bow in humble adoration at a God like this, in whose image we are all created.

Gen. 1:26, Then God said, **“let us make man in our image, according to our likeness. So, God created man in His own image; in the image of God, He created him, male and female.”**

But God did not simply create and then leave us to on our own. Years after His creating us, He sent His only Son, Jesus to die for us, so that we can live, and have a relationship with Him. Please allow me to quote a passage I have used before: John 3:16, **for God so loved the world, (you and I are part of this world) that He gave His only Son, that whoever believes in Him, should not perish, but have eternal life.** (words in parentheses are mine)

Readers, please enjoy the summer with family and friends. Enjoy the long day light hours, the BBQs, or just sitting and enjoying the stars once the sun does go down. And, allow your minds to drift and perhaps even ask the question, how does all this fit into my life, and imagine if you will, that the maker of all this wants to be your friend, and have a relationship with you.

Rev. R.D. (Bob) Wiebe  
Padre, Royal Canadian Legion  
Kingsway Branch, #175`

"A man always smokes two cigarettes at the same time, so eventually one of his friends asks, 'What's with the two cigarettes?' The man replies, 'My brother is in prison, and he told me to smoke a cigarette for him every time I smoke one for myself.' Sometime later, his friend sees the man smoking one cigarette instead of two. Surprised, the friend asks, 'Has your brother been freed from prison?'"

The man replies, 'No, I just quit smoking.'"

# ENTERTAINMENT CHAIRMAN MESSAGE

## Entertainment – Kingsway Legion

As we pass the halfway mark of the year, I want to take a moment to reflect with pride and gratitude on what we've accomplished together over the past 6 months at the Kingsway Legion.

First and foremost, a heartfelt **thank you** to every single person who has supported our entertainment programming — from our **dedicated volunteers**, hardworking **staff**, and **committee members**, to the **amazing guests and loyal patrons** who come out weekend after weekend. Whether you were enjoying our **weekend bands in the canteen**, dancing your heart out at one of our **tribute shows**, laughing with us at **Legion of Laughs Comedy Nights**, singing your lungs out during **Extreme Music Bingo**, or sharing your talents at our **Band Jams** — **you are the reason we do what we do**.

We are proud to say that **this entire entertainment program is run by volunteers**. People who donate their time, energy, and heart because they believe in what this Legion stands for — **community, camaraderie, and connection**. It hasn't always been easy. We've had our share of growing pains, technical hiccups, and behind-the-scenes challenges. But we've faced each obstacle with determination and teamwork.

And it's working. Our events are growing. Our name is spreading. People are taking notice — and that's because **you** are showing up and helping us build something worth celebrating.

But now we look ahead to the next 6 months.

This is the moment where we ask **for even more** — more **support**, more **positivity**, and more **pride** in this incredible organization. We've planted the seeds; now it's time to help them grow. We need our members, friends, and neighbors to rally behind the cause, to **get involved**, to **invite someone new**, to **volunteer**, and to **share the story of this beautiful place**.

Let's show the city what the Kingsway Legion is truly about — not just our past, but our future.

Thank you for being on this journey with us.

With respect and appreciation,

**Joe Luce**  
Entertainment Chairman  
Kingsway Legion Branch 175
