A Note From Your Padre

May 2024

“The Truth about the Bible”

I begin by asking the question, “Have any of us ever wondered just why should I believe what the Bible says?” While I no longer ask myself that question, I have in the past “How do I know the Bible can be trusted, and what proof is there?”

In most of the articles I submit for your reading pleasure, I will quote passages from the Bible, and I use them as evidence that what I am saying is true, based on my belief that the Bible is true, and is the Word of God Himself for us, and lays out how I should live, who Jesus is, and what it is the Gospels are telling me about my relationship with Him. It might just be a good exercise to consider some hard evidence as to why the Bible can and should be trusted. I am not demeaning nor am I commenting on any of the holy books, other religions use. I am simply communicating why I believe the Bible can be trusted to mean what it says.

So, let’s begin. The Bible is really not just one book, but 66 different books, divided into two parts, **the Old (66 books) and the New (27 books) Testaments**, written by some 40 different authors over a span of 1500 years. The writers came from very different walks of life, and included among other occupations, fishermen, physicians, shepherds, businessmen, tax collectors, pastors, farmers, and the list goes on. All the writing have been edited, compared old scrolls (on which the original writing were written) new scrolls, and agreed upon by a rather larger group of scholars to be the Words of God.

The Bible can be relied upon to be historical accurate:

1. “HERODOTUS, (history) book was written between 485-425 BC, with the earliest copy being 900 AD, some 1300 years from the original, and we claim the writing to be an accurate account of that period in history.
2. Julius Caesar, “The Galic Wars,” was written in 50 BC, with the earliest copy being found in 900 AD, some 950 years from the original, and there are 10 copies in existence.
3. There are other history books, Thucydides, Tacitus, that were written, 100 -50 AD & BC with earliest copies having been found 950 & 850 years after the original, and we take those as accurate.
4. **The New Testament of the Bible, (and I will concentrate on these books)** was written between 40-95 BC, with the earliest copy being located 125 AD, only 50 years after it was written. Each book within the N.T. gave eye witness accounts of the Life of Jesus, about whom it is written. Now here is the amazing truth about the bible, there are some 5000 copies in Greek, 10,000 copies in Latin, and 9,300 in other languages such as Hebrew & Arabic. All to say that the evidence of so many copies all being accurate provides ample evidence that it is a book we need to take very seriously.

A Note From Your Padre

Let me suggest that there has never been a book like this written anytime in history, that provides as much evidence to its veracity. Lots of religions say that God would show up, but the Bible writers provide some 300 different prophecies (or foretelling future events) in the Old Testament that God would show up in the person of His Son Jesus, and that He would die by Crucifixion, long before Crucifixion had even been used. The first foretelling of Jesus' death was made hundreds of years before He was born.

How could they know He would be born in Bethlehem, and then be crucified before crucifixion existed as capital punishment. How could they know that He would be betrayed for 30 pieces of silver, before they even knew there was a Jesus?

Then Jesus came and was not like anyone who had ever come before. He did the things, miraculous things, that the writers of old said He would do, hundreds of years before. Jesus performed miracles as He walked this earth for a short period of time fulfilling the foretelling of what writers of old had written.

But then He said I'm going to prove that I am the Messiah, I am He that the writers of old wrote about, and I am going to die on a Cross by crucifixion, which by this time was being used, and that's not all, after I have been killed, I am going to rise from the dead, which no one has ever done, I'm going to come back from the dead. No body had ever done that. And those who followed Him ran in fear, thinking we were wrong in believing what He said He would do. I'm thinking most of us would have run as well.

But something happened, Jesus rose from the dead, and his followers came back, and saw Him alive and for some 40 days until He ascended back to Heaven, where He had come from. But, this time His close followers and others, took up His cause, and began to collect eye witness accounts of Jesus' life on earth, and put them to pen and ink. These men were so convinced that Jesus was who He said He was, that except for one John, all the others were martyred for their belief, but not before they wrote the 27 books which make up the New Testament. There was no tangible value in their commitment to Jesus, no financial reward, but they believed He was who He said He was, and they wrote the eye witness accounts of the Life of Jesus. They all said this, **"I saw Him Die, and I saw Him come back."**

That is why we can believe that Easter as we have just commemorated actually happened because the Bible said it did. That is why I believe that Jesus is who He says He is, and I can believe when He said to His followers in John 14:6, **"I am the Way, the Truth & the Life, no one comes to the Father except through me."**

April Newsletter 2024

Our next Free Fun Bingo is Saturday May 11, 2024 after the LA meat raffle and 50/50. It is our last Bingo until September. Come out and enjoy! Our meat raffles and 50/50's continue throughout the summer,, so come out and continue to support us.

Don't forget we have a small library in our storage room. Need some good nice weather reads.....just ask our members at the meat raffles Saturdays and they will be happy to unlock the door for you to browse and borrow!

Our Ladies Auxiliary has just submitted 522 hours and 7 mins of volunteer time from January 'til now. These accumulated hours do not include our members collecting tickets or money at various Legion functions, clearing tables or selling 50/50 at these functions. These hours are collected through the legion. Our Auxiliary works hard to support our Legion.

Our fundraising efforts from our Easter and Christmas raffles, bake and white elephant tables and our Saturday meat raffles and 50/50 are a great success because of the great support we receive from Legion members and guests. Thank you. Our fundraising goes to The Kipnes Centre for Veterans supporting the monthly birthday parties, their bingos, and a gift bag to each of the 120 residents at Christmas, five Cadet Units, AB-N.W.T. Ladies Auxiliary Command, Edmonton and Area Poppy Fund and when funds have allowed other organizations. Fifty percent of our fundraising dollars goes to our Branch. At the April Legion General Meeting the Ladies Auxiliary proudly presented \$10,000 to the branch.

From your Ladies Auxiliary

The Kingsway Legion Ladies Auxiliary have a number of dual members , which means we have a membership in both the Legion and the Auxiliary. We all take an active part in the functions of both groups.. It is important that we have the support of all members in working the Poppy Campaign every November. We are very proud to be able to support this campaign every year.
