COMMITTEE REPORTS

TREASURER and FINANCE COMMITTEE: Presented by Comrade N. Danyi

The Finance Committee is pleased to present the following report:

1. Completion of Balance Sheet Audit

After two years of diligent work, we have successfully completed an internal audit and correction of all balance sheet accounts. This significant milestone provides a clearer and more accurate financial picture of our branch.

2. Timely Completion of Financial Statements

Our Fiscal Year End 2024 financial statements were completed on time and submitted prior to the March 31, 2025 deadline. This ensures we remain compliant with reporting requirements and able to make informed financial decisions moving forward.

3. Current Financial Position and Cash Flow

As of this report, we are utilizing \$70,000 of our available credit line, and our liquidity ratio is below 1. This means managing day-to-day cash flow has become a top priority. We are actively monitoring expenditures and working to improve our cash position.

4. Revenue and Operating Margins

While our revenue has increased by 40% year-over-year — equivalent to approximately \$33,000 — we are currently just breaking even. It's important to note that \$20,000 of that increase came from a generous donation by one of our members, which provided essential relief in March.

5. Ongoing Fixed Costs

Our building continues to be our largest expense category, accounting for 43% of our fixed costs. We are evaluating all options to address this challenge and improve operational efficiency.

6. April Committee Meeting

Please note that no Finance Committee meeting was held in April due to urgent family obligations of the Committee Chair. We will resume our regular meeting schedule in May.

7. Budget Performance

We are currently operating within the locked budget that was approved by the membership. Expense management is on track, and we are projecting to remain within budgeted spending for the year. However, revenue performance is a concern — we are more than 15% below target. At 25% through the year, we anticipated revenues to be near \$350,000. While revenue may fluctuate seasonally, our goal is to close this gap and stay within 10% of target by year-end.

8. Operational Strategy Committee

A new committee is being formed, co-chaired by Ron Wills and Ron Charlet, to advise on changes to the operational structure of the Legion. This initiative is crucial, as our current operations are unsustainable and significant change is needed for the long-term survival of the Branch. This committee will operate separately from the Finance Committee.

All members are encouraged to participate and contribute their insights. If you are interested in joining, please see me after the meeting — I will compile a contact list to share with the committee chairs.

Thank you for your attention and continued support as we work to ensure the financial health and future of Kingsway Legion Branch 175.

WAYS & MEANS: Comrade Hazen

The Raffle is well under way and ticket sales have been slow up until the Garage Sale. I want to give a big thanks to the Color Party members that came out to help sell tickets at the Garage Sale; they did an awesome job and looked sharp in their uniforms. The volunteer coordinator Dawna Buchanan has been trying her best to get volunteers to come out to our big events booked in the large banquet room to sell raffle tickets. I had good success, selling on the Election Day, the Blood Donor Clinic and the Firefighters AGM; unfortunately, I was unable to sell any tickets at the Alberta NWT Commands' AGM. There are a few more big events coming up and I am hoping

to continue to sell tickets at a steady stream.

I am asking you our members to help and do your part by taking a book or two of raffle tickets to sell to your relatives, golfing buddies or whomever you might think would like to support the legion by purchasing a ticket. I have sent a request to 25 legions in our local area to ask if they could put up our raffle poster. I received only two replies, one from Redwater and another from Fort McMurray saying they would share this information on their social media sites. You can tell your friends and family members they can purchase a ticket, just by calling the front desk. We all need to do our part to help promote and sell as many tickets as we can, every ticket sold will be much needed funds toward helping the Legion keep its doors open.

As the raffle is a very big project and has been consuming a lot of my time and energy, I have asked Jennifer Matheson to help with Ways and Means. She has embraced the opportunity to assist by her willingness to take on this role. She is a retired Logistic Officer and certainly has the expertise to facilitate and complete this responsibility, and I will certainly be there to assist her in any way I can. I am thanking both Jennifer and Kathy for doing the weekly audits on the raffle, their help is very much appreciated.

An application to the Poppy Fund requesting funds for the Kingsway Legion to host a Veteran's Dinner for 250 members was approved locally and has been forwarded up to Alberta Command for their endorsement, no word to date on approval. The dinner was scheduled for the 13 of June, but unfortunately if we do not receive approval soon enough from Alberta Command, this date will have to be moved to end of June or even into July.

The application for our raffle license was submitted and we received the Letter of Authority from AGLC for the Kingsway Legion to hold raffle schemes, this license will be valid through June 7, 2025 until June 6, 2027.

I have started to prepare for the Canada Day Celebrations, sent out many letters and applications for donations and support for this event. I have approached many local businesses for support and I have gotten news from Giant Tiger on Victoria Trail and they will be donating children's prizes or a large door prize to raffle on July 1st. I have received confirmation from all the dignitaries, that they will all be in attendance. Zaid Aboultaif MP, Heather Sweet MLA and Arron Paquette City Councilor and possibly Careful Curtis mascot from St John Ambulance. St John Ambulance Medical First Responders will be here to assist with first aid coverage. Heather Sweet will once again be covering the cost of the Canada Day Celebration Cakes. We are going to have some special surprises this year by having a large bouncy castle, axe throwing, a large connect 4, coloring contest and many more activities for all ages. Please come out and join in the fun!

I am continuing to update the website, Facebook accounts and continue to compile a data base of membership emails and other contacts to send out the Entertainment Newsletter each month.

Reminder for everyone, that I will be out of the area for the first week of June and June 16 to the 22.

HISTORIAN: Comrades Etmanski/S. Danyi

Veteran of the Month – Comrade S. Danyi

Thomas George “Tommy” Prince was born on October 25, 1915, in Petersfield, Manitoba, and was a proud member of the Brokenhead Ojibway Nation. A descendant of the respected Saulteaux leader Chief Peguis, Prince grew up in a large family on the Brokenhead Reserve. His early years were shaped by hardship and resilience, and from a young age, he developed skills in tracking and marksmanship that would serve him well in military life.

He enlisted in the Canadian Army in 1940 and initially served as a sapper with the Royal Canadian Engineers. Eager for more action, he later joined the elite 1st Special Service Force—an elite Canadian-American unit known as the Devil's Brigade. During the Second World War, Prince distinguished himself in combat, most famously in Italy, where he repaired a severed communication line under enemy fire by disguising himself as a farmer. For his courage and ingenuity, he was awarded the Military Medal by the United Kingdom and the Silver Star by the United States.

After the war, Prince re-enlisted and served with the Princess Patricia's Canadian Light Infantry during the Korean War. He took part in critical battles such as the Battle of Kapyong, where his unit earned international recognition.

Despite his military success, Prince faced systemic racism and was denied the same support and opportunities afforded to non-Indigenous veterans. He struggled to reintegrate into civilian life and

endured poverty, unemployment, and alcoholism. Over time, he was forced to sell his medals to support himself and spent his final years living in a Salvation Army shelter in Winnipeg. He died on November 25, 1977, at the age of 62.

Tommy Prince remains one of Canada's most decorated Indigenous soldiers and a symbol of both valor and the injustices many Indigenous veterans have faced. His legacy lives on through commemorations in schools, buildings, and public campaigns to honor his contributions and remember the challenges he overcame.

While the government and VAC have come a long way in regards to accessibility to Veterans benefits and services regardless of race we still face a great issue with veterans and homelessness. This continues to be due, in no small part, to the lack of support for mental health issues and assistance for veterans and, as a consequence, access to proper medical care which then leads to complications with employment and self-medication.

I so move my report.

You can hand them in to the front office in an envelope with my name on it. We will announce the winner at the June General Meeting.
