#### BRANCH GENERAL MEETING

The last Tuesday of every month except July, August, and December.

#### President's Message

Kingsway Legion has been very busy since we last met. Currently we have 1209 members in good standing and a full complement of executive members.

We had eight members attend the Command Convention in Red Deer in May.

We have been holding monthly Music Bingo, which has proven to be a great success with over 100 players in attendance.

In addition, we are hosting a monthly special event including shows like Elvis, Allen Jackson, and Bonny Killroy drawing in 150 plus guests.

Our Thu, Fri, and Sat Jams and Dances continued to bring in 60 – 100 people over the summer.

The Branch Sports Leagues are starting up over the next two weeks.

Functions held at the Legion are increasing and we are almost back to pre-Covid levels.

Volunteers are an important part of the operation of the Branch saving us over 650 man hours in wages since Apr. Thanks to all our volunteers!!

Kingsway Legion held a Remembrance Ceremony in honour of Her Majesty Queen Elizabeth on Monday Sep 19. Over 75 people attended enjoying refreshment and sandwiches after the event.

WK Fecteau

President

# A Talk With The Padre

I would like to take this opportunity to again say what an honour and privilege it is to serve you, the members of our Legion as your Padre. It was a special honour to be involved in the Memorial/ Remembrance Service for our late Sovereign, Queen Elizabeth 11, on Sept. 19, 2022.

By the time you read this publication Thanksgiving weekend will have come and gone here in Canada. My prayer was/is that each of us will have found the opportunity to be genuinely thankful for what we take so much for granted here in our amazing Canada, which we call home. For those of you who have swerved and are still serving my sincere appreciation for your service and in many cases your sacrifice.

One of the things I have been reflecting on in the past while is the whole notion of being grateful for what I have and the many blessings I enjoy. For quite some time now I make it a habit/routine to spend the first minutes of my day, recording at least five things I am grateful for that day. This practice has been a real value add for me and goes a long way in keeping me in a positive frame of mind, especially these days as I am recovering from an injured knee. (Hence the cane at the recent service of remembrance.)

Lack of gratitude and thankfulness seems to be a diminishing attribute in our society and culture. As I considered this, especially on Monday after reflecting on the many years our Sovereign served so faithfully, I read again the story recorded for us in Luke 17:11-19. I would encourage each of you to take the time to read the story and allow its truth to impact you.

## Ten Healed of Leprosy

**As Jesus continued toward Jerusalem, he reached the border between Galilee and Samaria. As he entered a village there, ten men with leprosy stood at a distance, crying out, "Jesus, Master, have mercy on us!" He looked at them and said, "Go show yourselves to the priests." And as they went, they were cleansed of their leprosy.**

**One of them, when he saw that he was healed, came back to Jesus, shouting, "Praise God!" He fell to the ground at Jesus' feet, thanking him for what he had done. This man was a Samaritan. Jesus asked, "Didn't I heal ten men? Where are the other nine? Has no one returned to give glory to God except this foreigner?" And Jesus said to the man, "Stand up and go. Your faith has healed you."**

Jesus encounters these ten men who were outcasts of society. They were by the laws of the day banned from living near anyone else. These men were lepers and lived completely isolated. They came from a variety of levels of society, but had one thing in common, "they were outcasts," and not part of society. Jesus is walking, not around Samaria as would other Jewish people, taking a trip with many more miles to walk, but sparing them from this place called Samaria. But, Jesus was not a common man, He was never one to walk away from someone in need and we see him in close proximity to these ten lepers, who somehow got wind of the fact that Jesus could do something about their plight, so they call out, Jesus, Master have mercy on us. And Jesus did. Without any concern of who these men were, what their ethnicity was, or their former social status, He simply says, "**Go show yourselves to the priest.**"

The law required that when and it seldom happened, a person believed they no longer had leprosy, they would show themselves to a priest who would sign off on it as it were. As they ran, I am quite certain this passage tells us they were healed.

## A Talk With The Padre

And here is the main point I am trying to make. It is as though this event took place today. Ten men were healed of a terrible disease. Ten men who, following an audience with a priest would no longer be outcasts and would be re-integrated into society. Ten men were given a new lease on life. Ten men who in fact had been rescued from a lifetime of being ostracized. Ten men all healed from the same devastating disease. Their gift from Jesus Himself was equal in value, and significance. And yet only one returned to express his gratitude to Jesus "The Healer."

**One of them, when he saw that he was healed, came back to Jesus, shouting, "Praise God!" He fell to the ground at Jesus' feet, thanking him for what he had done. This man was a Samaritan. Jesus asked, "Didn't I heal ten men? Where are the other nine? Has no one returned to give glory to God except this foreigner?" And Jesus said to the man, "Stand up and go. Your faith has healed you."** My challenge for myself and for all of us, is that we will be like that one man who came and said, "Thank you." That I will be one of those who expresses gratitude for what I have, and the multitude of blessings that come my way each day.

The truth is that everything we have, and is given to us, is given to us by God Himself. So, gratitude must be a way we live, so let's be quick to be grateful and slow to complain when things don't quite go the way we had them planned.

## Thousands of CAF members eligible for compensation for drinking contaminated water

Former residents of CFB Valcartier may be eligible for financial compensation due to a ruling regarding contaminated water sources between 1995 and 2006.

In 2012, the Quebec Superior Court ruled that the Department of National Defense (DND), SNC-Lavalin and General Dynamics should pay millions of dollars to those who lived on-base or in the neighbouring municipality of Shannon, Quebec, where water was contaminated with the dangerous carcinogenic trichloroethylene.

It's estimated that thousands of former CFB Valcartier residents may be entitled to compensation, which could total hundreds of thousands of dollars. Any person who believes they are eligible should visit [actioncollectiveshannon.ca](http://actioncollectiveshannon.ca) for more information.

The deadline to apply is **January 2023**
