VETERAN SUPPORT

The Royal Canadian Legion is strengthening its partnership with the Canadian Armed Forces (CAF) to improve access to disability benefits, services, and programs for Veterans, serving CAF members, and their families.

Government security-cleared Legion Command Service Officers can now meet clients at CAF Transition Centres across Canada, providing convenient access to expert guidance and support while reinforcing the Legion's role as a trusted advocate.

Veterans should never have to pay for help accessing benefits. The Legion is aware of organizations that charge fees, take a percentage of awards, or profit in hidden ways. Legion Command Service Officer assistance is professional, ethical — and always free.

If you or a family member need support, [contact a Legion Command Service Officer](#).

LEGION BUDDY CHECK COFFEE

Every 2nd & 4th Wednesday of the Month

Veterans of the Canadian Armed Forces, RCMP and Allied Forces are welcome. You do not need to be a Legion member to attend.

Open to all Veterans, come meet fellow Veterans in a safe, non-judgmental atmosphere of comradeship.

There will be free coffee, tea and soft drinks.

OUR CENTENARY YEAR

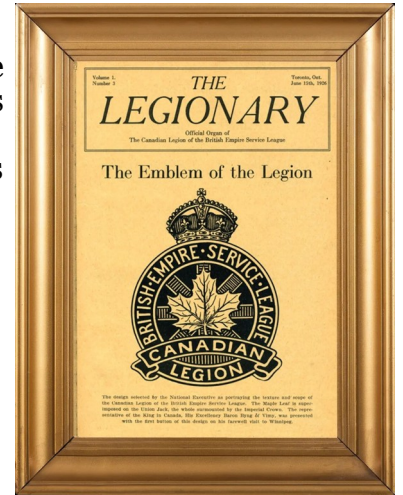

Explore 100 Years of Legion History

2026 marks the Legion's Centenary year and we've created a beautiful, interactive website that chronicles major events and achievements of the Legion over the past century. From our founding and early advocacy for Veterans, through rehabilitation and national growth after the Second World War, to the modern era and new Veterans – the site is a treasure trove of history – and a great reminder to us all of the proud legacy we all share as Legion members.

Charlotte Susan Wood of Winnipeg became the 1st National Memorial (Silver) Cross Mother

The first Legion badge, said to be made from Manitoba gold, was presented to the Governor General, Lord Byng of Vimy. Its design has remained largely unchanged, becoming a lasting symbol of the Legion's identity and commitment to Veterans, Remembrance, and community service

It's All About the Wait!

A guy asks a girl to go to a dance. She agrees, and he decides to rent a suit. The rental has a long line, so he waits and waits, and finally he gets his suit.

He decides to buy flowers, so he goes to the flower shop. The flower shop has a long line, so he waits and waits, until he finally buys flowers.

He picks up the girl and they go to the dance. There is a long line into the dance, so they wait and wait.

Finally, they get into the dance, and the guy offers to get the girl a drink. She asks for punch, so he goes to the drink table, and there is no punch line.

“EASTER 2026 ONE SOLITARY LIFE”

If this year is like past years, it would appear that we as Canadians will spend upwards of 231 million Dollars on Chocolates and Chocolate Products, and that does not include the chocolate we may have left over from Valentines Day, where it seems we bought for consumption 1.5 million tons of chocolate. By now you're thinking Padre, what has this got to do with Easter, and that is exactly the question I was hoping you would ask. “Nothing really,” except for many the concept of Easter is that. The Easter Bunny, who lays chocolate eggs all over the yard and in various places in our homes for our kids and grandkids to search for. It's an Interesting concept really.

And so along with family and friends and especially those with young children or grandchildren, or great grandchildren like some of us, enjoy the excitement of searching for easter eggs, allow them to over indulge with chocolate, knowing that if they are grand or great grandchildren they will soon go home and mom and dad can deal with the over stimulated effects that sugar has on some.

But! No one has ever seen the “real Easter Bunny.” SO, may there be more to Easter than what some have concluded? But in our celebration might I draw your attention to:

And with that question, I make this bold statement, “While no one has ever seen the Easter Bunny, “people have seen Jesus,” both before and after His death, and following His resurrection. And, this brings us to the real meaning of Easter. One word, one **Name, Jesus**, and that Name is what Easter is all about.

God sent His Son Jesus to earth for the sole purpose of reconciling man to Himself. Jesus came at Christmas, and we celebrated that event just a few months back. But now we arrive at the real reason Jesus came. And with that I share this well-known poem with you, and ask each of us to give thought to this one Solitary Life, lived by the man we know as Jeus:

“ONE SOLITARY LIFE” Rev. James Allan Francis

"He was born in an obscure village, the child of a peasant woman. He grew up in another obscure village where He worked in a carpenter shop until he was thirty. Then for three years He was an itinerant preacher. He never had a family, nor did He ever own a home.

He never traveled more than two hundred miles from the place he was born. He never wrote a book or held an office. He did none of the things that usually accompany greatness.

While He was still a young man, the tide of popular opinion turned against Him.

His friends deserted Him. He was turned over to his enemies. He went through the mockery of a trial.

He was nailed to a cross between two thieves. While he was dying His executioners gambled for the only piece of property He owned, His Robe. When He was dead, He was taken down from the cross, and laid in a borrowed grave.

“EASTER 2026 ONE SOLITARY LIFE” CONT'D

"Twenty centuries have come and gone and today He is still the central figure for much of the human race. All the armies that ever marched, All the navies that ever sailed And all the parliaments that ever sat And all the kings that ever reigned Put together, have not affected the life of man, Upon this earth As powerfully as this, **“ONE SOLITARY LIFE.”**

This **“ONE SOLITARY LIFE, JESUS,”** did not just come to change the world. Oh, He did that without a doubt. Our world calendars changed from B.C. to A.D. No other person's life or death has done that. Our way to interact with God, our Creator changed as well. The traditional sacrifices that were required, we no longer needed, as Jesus came to provide that one-time perfect sacrifice.

The reasons for this **ONE SOLITARY LIFE**, coming to earth, are bound up in this passage which I have shared before, but bears repeating:

John 3:16 – 17, “The Message”

This is how much God loved the world: He gave his Son, his one and only Son. And this is why: so that no one need be destroyed; by believing in him, anyone can have a whole and lasting life. God didn't go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again. Anyone who trusts in him is acquitted.

Easter is all about this One Man, about this one Solitary Life. So while we enjoy family, lots of food and oh yes lots of chocolate, my prayer is that our thoughts will turn toward this **“One Solitary Life,”** recognize who Jesus is and why He came.
