

METHODOLOGY

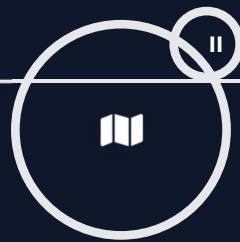

# The Four Corners of Planning

A comprehensive framework designed to navigate the complexities of exit strategy.

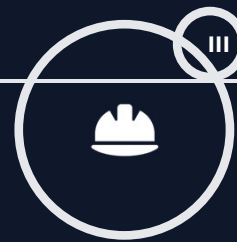

## Pre-Design

Identify goals, readiness, and constraints to establish the foundation.

## Blueprint

Select and design the optimal exit strategy tailored to your objectives.

## Construction

Execute the plan, manage the transaction, and build value.

## Delivery

Close, transfer ownership, and ensure a seamless transition.

PROCESS FLOW

# Client Engagement Pathway

Flexible paths tailored to your timeline
