***About One Magical Weekend**

In early June, over 150,000 of the world's LGBT travelers descend on Orlando for One Magical Weekend, celebrating their Pride at one of the largest annual gay celebrations held at the happiest place on Earth! It's a perfect marriage of Walt's vision of a future where everyone lives and plays together, even if it's for just One Magical Weekend!

What brings the crème de la crème of the gay world to America's most popular destination is a dawn-to-dawn non-stop roster of amazing parties. For once, an event actually lives up to the hype! One Magical Weekend is exactly that: Unique events that utilize the magic created only at Walt Disney World® Resorts in Central Florida.

This Halloween, One Magical Weekend brings trick or treating to the Fort Lauderdale Beach with an event packed weekend with hundreds of the hottest men on the gayest beach in the world.
