EASE OF ACCESS

We will be ensuring that there is a reserved spot in front of both festival gates for pick-up and drop-off and to ensure that seniors and attendees with physical disabilities, as well as emergency response vehicles, have ease of access to the festival

NOTIFICATIONS

We will be papering the residents' homes within a two-block radius of the event with festival details, Chamber contact information, the potential for parking conflicts, and recommending that they reserve the spot in front of their home with a pylon, or similar structure, to ensure that their parking is not taken by festival attendees on the day.
