

# Chambers Plan - More than just benefits!

### Teledoc

Teladoc Health's comprehensive virtual care solution provides a new front door to the healthcare system—one that is open 24/7 and can be accessed from anywhere in Canada and the U.S. Teladoc Health is helping patients resolve their healthcare needs while redirecting patients from unnecessary emergency department visits and the long wait times of doctors' offices.

### Business Assistance Service (BAS)

One-on-one consultation is often financially out of reach for many businesses, however through the Chambers Plan BAS, firms have access, free of charge, to expert advisors who can help their business grow. This confidential service provides access to professional accounting, counselling, legal and human resource experts who understand the challenges faced by small business owners.

### Healthy Business Bookmark

This is an online library of resources to help owners increase their knowledge of, and find answers to, common human resource issues that can impact their organization. Included are sections on self management, people management and business essentials with articles, podcasts, checklists, sample documents, guides and more.

## Payworks

### Payworks

Payroll and benefits working together to make managing your business fun again with benefit and payroll integration! Payworks and Chambers Plan synchronize so you can manage payroll and employee benefits effortlessly.

\* Payworks offers special benefits for Chambers Plan clients! Human Resources, Employee Self Service and Absent Management at no extra cost (saving your company up to \$750 each year).

### Best Doctors

When you or someone you love is faced with illness or injury, you want to have access to the very best medical expertise available. That's exactly what Best Doctors gives you, connecting individuals and their treating physician with world renowned specialists to provide an expert opinion on an existing diagnosis and treatment plan, without having to leave home. Don't forget, your dependents as defined in your benefit plan can also use Best Doctors. Plus, with the Extended Family Benefit, your parents and parents-in-law also have access to Best Doctors when they need it most.
