

### 4' x 2' Single Backboard

The ReadySPEC® single backboard kits provide a convenient alternative to field cutting full plywood sheets to size for small mounting applications.

Shipped in sturdy cardboard packaging to arrive at your job site in perfect condition. ReadySPEC® Backboards are also now available in Bulk Project Packaging as a cost effective option.

Backboard is primed and then coated with UL® Classified Intumescent Fire Retardant latex. Select from a variety of color choices to meet your projects ANSI/TIA-606-B color-code requirements.

**ReadySPEC® 4' x 2' Backboard**  
(Equipment not included)
