

Warehouse Maintenance Solutions

Corona Virus Declaration

As the technicians of Warehouse Maintenance Solutions visit hundreds of sites in Victoria, there is a responsibility on us to keep track of any potential contact with the Corona Virus and inform any sites that we have visited.

To this end we require you to sign and return this declaration for our records, prior to our attendance at your site.

I declare that, to the best of my knowledge, no-one that has visited our premises, has tested positive to Covid 19 in the last 4 weeks.

Should any staff or visitors test positive to Covid 19 in the next 2 weeks I will inform Warehouse Maintenance Solutions immediately so that they can isolate staff, have them tested and start contact tracing.
