CRITERIA

TUMBLING: Athletes will be evaluated on both standing and running tumbling. We determine an athlete's level tumbling based on the skills thrown, the technique/execution of those skills, the endurance and stamina of the skills, previous skill progression training, and the ability to incorporate lower level combination passes. To consider an athlete to be a certain level for tumbling, skills must be routine ready with the ability to contribute fully to the United Scoring rubric.

JUMPS: We will evaluate the athletes' knowledge of advanced jumps and ability to perform them with proper technique and execution.

STUNTING: Evaluation will include knowledge of the desired stunting position and previous experience of stunting positions, coachability to adapt, learn, and apply the UA standard in stunting technique.

CHARACTER: Athletes will be evaluated on their level of positive attitude, coachability, previous team experience and recommendation (if applicable), as well as attendance and commitment level. Athletes will be evaluated on their level of "team player" mentality and a growth mindset.

Athletes are placed according to their mastery and at what level they possess the majority skill set.

Nov. 17 Tryout:

The registration fee is \$75.00 and is **non-refundable**. Should an athlete choose to no longer attend the half season tryout, the registration fee amount will be applied to the athlete's gym account for future use (i.e. classes, clinics, future tryouts, etc.)

TEAM PLACEMENTS

We place significant emphasis on placing teams with an overall mastery for the level in which they will compete. The objective when placing athletes is that athletes have a significant, contributing role on a team that serves both the team's and athlete's best interests.

We are dedicated to providing transparent communication and feedback throughout the tryout process and managing expectations accordingly, especially when a placement may differ from an initial level callback. Nonetheless, placements are at the discretion of the coaches and staff. While feedback is provided, we do not discuss athlete placements with families. Trust in our proven process, our cheerleading expertise, and our knowledge of the industry is inherent to our placement process.

Please note that an athlete's initial team placement is not a guarantee for the season. Shifts may continue to occur during the initial weeks of practice based on a number of factors, including but not limited to: athlete regression or lack of progression, a change in team needs, specifically in regards to stunting, attendance/ commitment concerns and/or scoresheet feedback.

P R A C T I C E S

As a general rule, teams will practice two times a week, for two hours at a time. Once in competition season, additional practices, although infrequent, may be required as needed.

Practices are mandatory. Three (3) absences are permitted during the season; repeated and/or consistent absences during the half season may prohibit progression as a team, negatively impact a team's positive team dynamic, and can ultimately affect the athlete's contributory role and/or placement on their team. Examples of excused absences include: illness, family emergency, major family events, school sponsored commitment required for a grade, injury that prohibits attendance, family vacation with advanced two-week notice. Anything not included in the aforementioned will be considered unexcused. Certainly, extenuating circumstances can be assessed on a case by case basis.

To communicate absences, please email info@ultimateathletics.org and notify the team coaches directly.

During the first week of practices, we begin to finalize each team's design and structure – making sure the team's needs are met in terms of stunting positions and tumbling numbers. There are circumstances in which a non-level appropriate athlete may be placed on a team in order to fulfill a needed stunting role.

During this first week of practices, we will also finalize the division (age group) for which each team will compete. Team shifts may occur after the first week of team practices based upon changes in team's needs after the initial tryouts.

The half season teams' last practice will be the week prior to US Finals (April 17th).

P R A C T I C E S

B E F O R E C O M P E T I T I O N

The two weeks leading up to a competition are **ABSOLUTELY MANDATORY**. Should an athlete be absent from a practice during this time, for any reason, it may result in that athlete's ineligibility to compete (no refund will be given for the competition fee) or their role and contribution in the routine adjusted accordingly.

The decision to use an alternate or "fill-in" for that competition is at the discretion of the coaches as is the decision to modify the athlete's role in the routine for that competition should that be the case. The team's best interest (doing what's best for the integrity of the team and its competitive success) will always be prioritized and ensuring the team's needs are met first and foremost.

Please note that if a team needs to add practices before a competition due to not having full-team practices, the team may be subject to an additional practice fee. The pro-rated and bundled tuition includes only the standard practice hours per team.

I N J U R Y / M E D I C A L

Should an athlete suffer an injury or a medical condition that prohibits them from fully participating at a competition or for more than one (1) practice (i.e. having to "sit out" of a practice or any portion of a practice) a doctor's note must be presented to the UA coaching staff. The doctor's note must include the diagnosis and prognosis, as well as an estimated timeframe for recovery. A release from those restrictions must also be presented and given to coaches in order to return to participation. Athletes who experience a short-term injury but wish to return to their team must continue to make full installments to hold their "spot." Athletes who suffer a long-term (season- or career-ending) injury will be refunded any portion of the program not received. A doctor's note, detailing the injury, is required.

G E N E R A L N O T E R E G A R D I N G A T T E N D A N C E

Unlike most competitive youth sports, we do not practice our teams every day after school; rather, the half season teams practice only two days a week. We do this because we want our athletes to be well-rounded, balanced, and involved in their schools, communities, etc. We also value the family dynamic and recognize the significant sacrifice and commitment it is to have an athlete in all star cheerleading. We all have meaningful obligations outside of cheerleading, and thus time management is crucial. We created this schedule in effort to "make it all work." As a result, the expectation is that the strategic and thoughtful practice schedule is adhered to with complete effort.

COMPETITIONS

Competitions are mandatory. If for some reason an athlete is unable to attend a competition, we graciously ask for advanced notice when applicable to allow for proper preparation of an alternate athlete or routine adjustments. Competition fees will not be refunded should an athlete not participate for any given reason.

Athletes are expected to arrive at competitions at their designated meet time, in uniform, competition hair/makeup, and fully prepared for the day. This includes proper nutrition (i.e. breakfast, lunch, or dinner depending on the designated meet time) and hydration.

Throughout the event, the expectation of those representing UA is that they reflect the sportsmanship ideals and standards set forth by the brand, coaches, and staff.

We will designate one person to record all performances as to allow the spectators/parents to be fully engaged in their team's performance, cheering for the athletes, and providing good energy to the team while they are on the competition floor.

Most typically, half season program teams compete in the "Prep" divisions at USASF sanctioned, Varsity events. The determination of the exact divisions in which teams will compete is at the sole discretion of the coaches and staff at UA and is subject to change after team placements are finalized. Team competing in the Prep Division will only compete ONE day at two day events.

The Half Season Program teams will compete at three local events from January - April.

Below is the tentative competition schedule for the 2026-2027 half season program:

CSG - SCHAUMBURG, IL	FEB 6 - 7

US FINALS - DEKALB, IL	APRIL 17

Families requesting specific payment arrangements (i.e. split payments, bi-monthly payments, Zelle or cash app options, etc.) should email the gym at info@ultimateathletics.org prior to the first tuition installment is due.

EXPECTATIONS

At practices and competitions, in the gym, at practices, and on social media, UA families and athletes are expected to represent themselves and the UA brand with the utmost of integrity and sportsmanship. If at any time, UA feels a family's and/or an athlete's conduct does not align with the UA philosophy nor standard, UA holds the right to dismiss that family and/or athlete from the program and/or place the athlete on a probationary period as an alternate. The expected role parents and families play within the UA program includes but is not limited to 1) respecting the decisions made by coaches and staff; 2) applauding effort and hard work; 3) avoiding unnecessary criticism of team and/or athletes; and 4) providing transparent and productive communication of concerns, should they exist, to coaches and staff first and foremost.

Contribution is on and off the mat. The expectation is for athlete to be dedicated to their training, their nutrition, their team, and their representation of the program when inside and outside of the gym. There is a difference between interest and commitment. Our expectation is one of commitment. It is expected that the travel days set forth for out of state travel competitions are followed and adhered to, as well as the gym's 2026-2027 calendar.

The energy and conversations surrounding a season contribute to the energy, atmosphere, environment, and overall experience for all of those involved. The expectation of conduct, as a result, is to be constructive, productive, and mindful in conversations and interactions. Athletes and families are expected to recognize and appreciate the ideals fundamentally inherent to youth sports and to team sports. We expect humility in victory and graciousness in defeat; and value placed in "big picture coaching" and the substantial life lessons learned along the way.

The coaching and staff at UA are effort-oriented at practices and results-oriented at competitions. We pride ourselves on emphasizing a balance between the two throughout the five month half season journey. We are hopeful you will join us in SEASON FIVE'S journey and be part of The Royal Family, too!

HOLIDAY CLOSURES

We have designated a Thanksgiving and Winter break (as well as other major holidays). Please refer to the gym calendar below for those dates and plan your schedule accordingly. Absences from practices, as a result of extended vacation plans, that surround these dates will be considered unexcused.

NOVEMBER 25-28	GYM CLOSED HOLIDAY
DECEMBER 23-26	GYM CLOSED HOLIDAY
DECEMBER 30-JAN 2	GYM CLOSED HOLIDAY
JANUARY 3	PICTURE DAY
MARCH 28	GYM CLOSED HOLIDAY
APRIL 16	END OF SEASON BANQUET

SPRING BREAK

Due to the varying spring breaks of local school districts, we do not close for a specific spring break period. The gym will remain open with practices and classes running per usual. We will accept spring break absences only if we have received written communication, thirty (30) days in advance. However, please be aware that the 2026-2027 competition schedule (for full season teams) may include an event at the end of March or beginning of April. In that instance, the expectation is that spring break vacations/plans are adjusted accordingly.

ADDITIONAL POLICIES

CROSSOVER POLICIES:

*New to the 2026-2027 season, athletes competing with a second team will no longer pay an additional monthly tuition fee (previously \$100/month); rather, they will simply be responsible for the crossover competition fees (varies with each event), travel fees, and choreo/music fees for the second team. This means if your athlete is on a second team, you are then responsible for the second team's choreography fee, music fee, and the coaches' \$550 travel fee. Crossovers are first and foremost rostered athletes to their first, primary team.

FLYER REQUIREMENTS:

Team flyers are required to join a hyperflex stretch class. In the past, this requirement only pertained to full season athletes, however, for the 2026-2027 season, half season flyers will be held to the same requirement. Gym accounts will be automatically charged the \$50 Flyer Stretch Class Fee per month once team flyers have been determined. It is also expected that flyers are stretching at home and progressing their flexibility, with visible improvements. Flyers will also be required to join the UA Flyer GroupMe as a resource for additional at-home stretches and drills.

ALTERNATE POLICIES:

If an athlete is made an alternate due to an injury or illness, but is able to return to participate for any portion of the season, that athlete WILL continue to pay their monthly tuition installments and all fees associated with the 2026-2027 season. If an athlete is made an alternate per coaches' discretion (i.e. not routine ready), that athlete will be charged an "alternate fee" of \$250 per month. Athletes who experience a short-term injury but wish to return to their team must continue to make full installments to hold their "spot." Athletes who suffer a long-term (season-or career-ending) injury will be refunded any portion of the program not received. A doctor's note is required.

SPIRIT WEAR POLICIES:

Megwear Inc. is the official vendor and Pro Shop for Ultimate Athletics apparel and has exclusive rights for the use of the Ultimate Athletics name, UA, our logo, and the UA crown. Apparel with the use of Ultimate Athletics, UA, our logo, and / or the UA crown can only be purchased through Megwear, Inc. The link for Megwear's Ultimate Athletics Pro Shop is available on our website, www.ultimateathletics.org. The Pro Shop is updated regularly to include seasonal options and new items. Megwear will also update the Pro Shop with team specific items, which will include the gym's name, etc. Payment is made directly to Megwear and shipped directly to you as well. UA does not upcharge for spirit wear. UA does not upcharge for the use of the gym's name nor logo; we simply want to protect its image and likeness, and therefore designate only ONE vendor,

Megwear, to represent the gym in spirit wear. Teams wishing to design their own specific and optional apparel (shirts, hoodies, sports bras, etc) WITHOUT the use of the gym name, UA, the logo, and /or UA crown, are at liberty to use any vendor of their choice. However, the design mock-up must be approved by gym owner, Jess Conner, prior to ordering and production.

The ordering, payment, and distribution of such items are not affiliated with the gym. Megwear is also available for teams wishing to design their own specific apparel. If you wish to use Megwear as your vendor for team specific items, please email the gym or contact Jess directly to initiate that design process and ordering. This is the suggested route of the gym as Megwear is a trusted vendor and the payment/ order fulfillment process is seamless with online payment options (no collecting individual payments from team parents/ athletes, etc) and direct shipping.

ALL SPIRIT WEAR, ULTIMATE ATHLETICS SPIRIT WEAR APPAREL, AND TEAM SPECIFIC SPIRIT WEAR ARE OPTIONAL! Do not feel obligated to purchase additional team wear, sports bras, bows, tshirts, shoes, hoodies, etc.

CLASS CURRICULUM:

Tumbling and stunting classes are offered through the iClassPro registration portal and are updated to include a variety of different choices throughout the season. Prior to enrolling in a class, it is recommended that athletes register for a trial class and/or request an evaluation by emailing the gym.

A detailed description of the class requirements is provided on the portal. Enrollment is auto-renewing and requires a valid credit card on file. To drop a class and successfully stop the auto-renewal feature, an email must be sent to the gym 30 days in advance to the desired drop date.

PRIVATE INSTRUCTION:

Several of our highly trained staff and certified coaches at UA offer private instruction in both tumbling and stunting. Prices may vary. A list of our private instructors, their specialties, and contact information is available on the Members Only Access Page of our website, but can be made available to non-team members by emailing us at info@ultimateathletics.org. Scheduling and payment for private instruction are made directly with the private instructors). New to the 2026-2027 season, athletes interested in receiving private instruction must also be enrolled in a class, team, or specialty clinic at UA during the current season. All packet policies and iClassPro policies must be reviewed, read, acknowledged, accepted, and signed in order to participate in any gym activity.

Visitors and participants assume all risk and liability anytime they are in the gym's facility, use the facility and its amenities, are using gym equipment or in the proximity of gym equipment. Use of the gym's equipment without proper coaching supervision is strictly prohibited.

NO REFUND POLICY

Please read the complete Financial Agreement, attached to this program packet, in its entirety, as it details all of our financial policies.

Here, we have highlighted one of those policies in particular: **the NO REFUND POLICY.**

All payments are non-refundable. If you wish to leave the program, you must notify management via email. Athletes who experience a short-term injury but wish to return to their team must continue to make full installments to hold their "spot." Athletes who suffer a long-term (season- or career-ending) injury will be refunded any portion of the program not received. A doctor's note is required.

Families that "pay in full" for an athlete's season have three (3) business days from the gym's receipt of the full payment to request a refund. After that time, no refund will be given. Per the Illinois Fitness Act, any family requesting a refund due to an injury of disability must provide proof of the injury and/or disability with a verifiable doctor's note. The gym has the right to verify the doctor's note and its contents.

It is not the responsibility of the gym to resell nor assist in the resale of previously purchased custom UA items, including but not limited to Nfinity practice wear, uniforms, team spirit wear, etc.

No refunds will be issued for classes canceled by the gym. If the gym must cancel a class, a make-up class will be given at the end of the session. No refunds will be issued for missed clinics, classes, camps, or tryouts. On a case by case basis, the gym may credit your account in the same amount for future use should your athlete miss one of these scheduled gym events.
