

STEEL CREEK
ENERGY SERVICES LTD.

Built for tough jobs. Trusted for quality.

JOB POSTING: EQUIPMENT OPERATOR

Location: Head Office between Provost & Bodo, AB

Work Sites: Throughout Alberta & Saskatchewan

Employment Type: Full-Time

Steel Creek Energy Services Ltd. is growing, and we're looking for a skilled Equipment Operator who takes pride in quality work, safe operations, and being part of a high-performing team. This role is ideal for someone who enjoys variety, can operate multiple types of heavy equipment, and is comfortable working across different sites and conditions.

About the Role

As an Equipment Operator, you will support field operations across Alberta and Saskatchewan. You'll work with a range of larger equipment and contribute to safe, efficient, and high-quality project execution. This position requires travel to various job sites, with schedules that may vary based on operational needs.

Key Responsibilities

- Operate a variety of heavy equipment safely and efficiently
- Support field crews with day-to-day operational tasks
- Conduct pre-trip and post-trip inspections and maintain equipment logs
- Follow all company safety policies, procedures, and regulatory requirements
- Assist with general labour duties as needed
- Represent Steel Creek professionally on all job sites

Qualifications & Requirements

- Experience operating multiple types of heavy or large equipment
- Valid Class 5 Driver's License
- Clean Driver's Abstract (required)
- H2S Alive, Ground Disturbance 201 and Standard First Aid
 - *If you do not currently hold these certifications, Steel Creek can assist with obtaining them*
- Strong commitment to safety, quality, and teamwork
- Ability to work in various weather conditions and remote locations
- Willingness to travel throughout Alberta and Saskatchewan
