

JOB POSTING: SUMMER STUDENT

Location: Head Office between Provost & Bodo, AB

Employment Type: Full-Time, Temporary (May 1 – August 31, 2026)

Steel Creek Energy Services Ltd. is seeking a motivated Summer Student to join our team for the 2026 season. This role is ideal for a student entering post-secondary in Fall 2026 who enjoys hands-on work, staying active, and contributing to a high-performing operational environment. This position provides exposure to shop operations, equipment, and field support—perfect for someone looking to build practical experience in a dynamic industrial setting.

About the Role

As a Summer Student, you will support daily operations in our shop and yard. Your work will help maintain a clean, organized, and efficient environment while assisting with general labour tasks. You may also support field crews with basic duties as needed

Key Responsibilities

- Perform shop and yard cleaning, organization, and general upkeep
- Assist with material handling and inventory organization
- Support yard maintenance, including mowing, trimming, and general outdoor tasks
- Help with basic shop tasks under supervision
- Provide occasional support to field crews with general labour duties
- Follow all company safety policies and procedures
- Represent Steel Creek professionally at all times

Qualifications & Requirements

- Must be entering post-secondary education in Fall 2026
- Valid Class 5 Driver's License (required)
- Ability to work full-time, in person, Monday–Friday
- Comfortable working outdoors and performing physical tasks
- Strong work ethic, reliability, and willingness to learn
- Mechanical aptitude or interest in equipment is an asset
- Ability to work safely and follow direction

What We Offer

- \$20/hour for the duration of the work term
- Hands-on experience in a professional industrial environment
- Exposure to shop operations, equipment, and field work

How to Apply

Please submit your resume and driver's abstract to kedgar@steelcreekenergy.com with the subject line *Summer Student Application – [Your Name]*.
