Program Guidelines During Covid -19

- 1) **Any child with a cough, runny nose, temperature of 99.8 or higher, or tummy troubles will be unable to attend our center .I understand we are entering allergy season, but there is NO way for me to determine if it truly is just allergies since the symptoms are the same.** If your child has allergies, they will need to remain home for monitoring. We will continue performing temperature checks three times a day. If your child starts having a cough, runny nose, temperature of 99.8 or higher, or tummy trouble; you will have 1 hour to pick them up from our center and he/she will need to stay home for the minimum of 24 hours after symptoms have gone away. If your child wakes up with a fever, keep him/her home. **DO NOT give them fever reducing medicine and bring them to our center.** This will put everyone's life in jeopardy. If your child has asthma or a weakened immune system, please be advised that he/she is at a higher risk during this time.
- 2) **Parents MUST stay on the black tile area** when in our building and drop-off/pick-up should take place swiftly.
- 3) **If your child, you, a household member, a coworker, or anyone that you or your child has recently been exposed to has been diagnosed with Covid-19, you are required to contact Mrs. Terri immediately.**
- 4) **Everyone over the age of two MUST wear a face covering when in our building.**
- 5) **ALL students attending during this time will need to provide a morning snack, a complete lunch, afternoon snack, and drinks. The lunch must have a main entrée containing protein. (peanut butter and jelly sandwich, meat and cheese sandwich, lunchable) I would suggest a water bottle that can be refilled and maybe one juice box for lunchtime. Soda and milk will not be permitted. We CANNOT refrigerate or microwave any food. Please include an ice pack for perishable items.**
- 6) **Handwashing is one of the best ways to prevent getting sick; therefore, all students and staff will be washing hands often.**

By signing below, I am agreeing to the listed guidelines above.
