*"You're not a member? How long have you lived here?  
You're not a local unless you are a Grange Member"*

A Grange, first and foremost, is a group of passionate people dedicated to serving and contributing to their community, and thereby making the world a better place.

Your membership contribution of \$50 annually ensures the maintenance and availability of our own beautiful community center, without you there would be no Grange.

DONATIONS GRACIOUSLY ACCEPTED
