Hau Mitakuyapi,

Greetings relatives, on behalf of Tusweca Tiospaye, I would like to thank you for attending the 10th Annual Tusweca Tiospaye Lakota Dakota Nakota Language Summit. Our theme has always been, "Uniting the Seven Council Fires to Save the Language", as we feel that through uniting our people in our efforts to revitalize and save our language, we can be successful. We have scheduled many awesome sessions and hope that each of you take something good back to your

tribes, communities, programs and families so that together we can build successful programs to pass our language on to our children. As Mr. Darrell Kipp, the Co-Founder of the Piegan Institute and one of our past Key Note Speakers said, "the only way to save a language is to teach it to a child." Again, I thank you for being a part of the 2021 Lakota Dakota Nakota Language Summit. Lila Wopila Tanka!
