today!

Congratulations to our very
own Kristi Owens in her new
role as library director!
Please help us welcome our
new library team member
Tracie Keeney!

In anticipation of our upcoming move, here are some things you should know!

Our last day open will be Saturday, August 30th.

We anticipate reopening by December 1st.

**Our new location will be at the previous Warrior School Campus
300 Montgomery Street**

Warrior items will not be available for check out or to be placed on hold during this time.

Items checked out prior to our closure will have an extended due date for patron convenience.

We will not be accepting returns at this location but Warrior items may still be returned to other libraries.

**We encourage you to visit other nearby libraries during this time!
The closest ones to us are Gardendale, Fultondale and Pinson.**

For our Warrior Only patrons, the closest libraries in Blount County are Blountsville and Oneonta.

If you would like the option of using other Jefferson County libraries you can pay the reduced rate of \$25 to become a member by August 30th.

We appreciate all of our patrons and can't wait to share our new, improved space with you! Follow us on Facebook for news and updates.
