America Turkish Music,Culture & Musicians Association a/k/a VATAN CHORUS

As the America Turkish Music, Culture & Musicians Association (ATMCMA), we are a 501(c)(3) certified nonprofit organization. Our mission is to promote greater cultural interaction between the United States and Türkiye, and to highlight the changing face of Türkiye 's arts and culture scene through music in particular, both in Turkish and in all other cultural musical forms.

Established in 1999, ATMCMA, aka VATAN CHORUS has a long history of performing in New York. We collaborated with talented and passionate musicians. We channel our community's support to charitable causes as well. Lately in 2023, we donated clothing and footwear to 279 children in Hatay, the region devastated by the earthquake of the century.

Our spring 2025 concert is designed to attract a large and diverse audience, both Turkish and international. The concert, conducted by our Musical Director Gokhan Seyrek, will include choral and solo performances of the Classical Turkish and Folk songs. We need your support to realize this concert, as immense rehearsal and production costs surpasses our VATAN CHORUS members' contributions.

Your Support Matter. Become our Sponsor!

It is your generous support that makes these concerts possible. Your sponsorship contributions are **tax-deductible**. We will be immensely grateful to you. We will appreciate your partnering with us in this great cause and look forward to hearing from you soon.

Sincerely,

Zuhal Sibel Özdemir, President
