President's Report

by: Patrick Payette

CNESA President
cnasapresident@gmail.com

Fall 2025 - President's Report

Dear CNASA Members,

First off, I want to start by thanking you for your patience — it's taken a little longer than usual to get this issue of the Quarterly out. We've been navigating an exceptionally busy time lately, with some heavy personal losses, high-priority commitments, new courses, and exams that have kept me on my toes. I appreciate your understanding, and I'm excited to finally share this update with you.

It's been a terrific year for Australian Shepherds! We've seen Aussies shine across the board — winning multiple Best in Shows, Best Puppy in Shows, Group 1 placements, High in Trials, and achieving many new titles. Even more rewarding is seeing the countless hours of training, teamwork, and fun being had by members with their dogs. I'm personally thrilled to see our breed doing so well in any ring, trial, or field. Keep showcasing those beautiful Aussies and most importantly — keep having fun!

It's also been a big year for our club. From Specialties to Sprinter Trials, Herding Trials, Scent Trials, and even an Agility Trial — it's been a full calendar! Looking ahead, 2026 is shaping up to be just as busy, with even more trials planned and a National on the horizon. We're proud to say most of this year's events were well-executed, well-attended, and brought in some lovely profits. A huge thank you to the volunteers who continue to put in countless hours planning, fundraising, and hosting these events — your efforts are truly what make it all possible.

For those who haven't had a chance to get involved yet, we encourage you to jump in! Whether it's volunteering at an event, helping behind the scenes, or just showing up to support your fellow members — every little bit helps. Our club grows stronger with every hand that joins in. Let's not let burnout wear out the few who keep stepping up — they're vital to our success, and we want them to stick around.

On the governance side, your Board has been hard at work updating the bylaws to align with required CKC changes and incorporating the CKC's suggested bylaw template. These updates are important to help streamline any future changes and keep our operations running smoothly. We're aiming to get these proposed changes out to the membership soon.

We also have a few open positions within the club, but unfortunately, we've seen limited interest so far. I strongly encourage all members to take a look — if there's a role that speaks to you, step up! The Board can't do it all alone. As our membership grows, so do the demands on the club, and we need more hands to share the load. Remember, our club is only as strong as the dedicated individuals who support it from the ground up.

Lastly, a quick reminder that our Winter Issue is expected to be a busy one — so if you have content you'd like included, please be sure to submit it by the December 1st, 2025 deadline!

Thank you again for your continued support, enthusiasm, and love for this amazing breed. Let's finish the year strong and head into 2026 with even more momentum!

Warm regards,

Patrick Payette *CNASA President*
