2024 End of Year Campaign

Our end of year campaign for 2024 is to raise **\$40,000** to offset the effects of inflation which has hit us on everything from groceries to gas to insurance and salaries. Your financial gifts now will be a blessing going into the new year.

DDM at a glance:

Heart of Georgia Developmental Disabilities Ministries (DDM) Supports adults with special needs. DDM is a non-profit ministry supported by donations, room and board income from our residents and community grants. Our home opened in 2011. Presently we have 5 residents and an opening for a female resident.

DDM residents have been enjoying many activities out in the community such as going to Rigby's Waterpark, Georgia National Fair, Buddy Bingo, Bowling along with Fundraising at all of the local events hosted by the City of Warner Robins. We would love to see you at our future fundraising events.
