

Tool

Create a Time magazine cover for your innovation strategy. Include words and pictures that represent your vision for the future of what your strategy will ultimately accomplish. You can even include sample testimonials from your customers about the value that they received as a result of your hard work with your innovation strategy. Have fun with this!

TIME

Can we bury the \$30 trillion debt and earn \$50 trillion plus in geological deposits for US treasury equity from reserves on Mars? Horizons wants to do it.
