

RULES FOR FLOWER SHOW 2022

1. Exhibits are open to all. Non-members of THS&GC will be charged an exhibitor's fee of five dollars for 2022 *

2. Number of Entries per class:

Horticultural Division is limited to 2 per class, unless otherwise stated e.g. Collections. They must be different varieties/cultivars. **Design Division** is limited to 1 per class.

3. All exhibits must be in the show hall between 9am and 10:30m and remain in place until the end of the show. This rule is strictly enforced.

4. Judging will be based on the Ontario Judging and Exhibiting Standards; Second Edition 2019 **The decision of the judges shall be final in all cases. Any protest must be in writing and submitted to Show Chair.** No prize will be given if exhibit is not worthy.

5. Exhibitors must furnish their own containers and remove them after the show. The Society will not be responsible for any loss or damage to containers.

6. All exhibits for Horticulture Division must be strictly amateur and must be grown in exhibitor's own garden or home. No strings or wires permitted in the Horticultural Division.

7. Exhibits for Design Division may be acquired from sources other than the designer's own garden, unless specifically stated in class description. The designer must be an amateur.

8. Any potted plant must be grown by the exhibitor at least three months in the pot in which it is to be displayed.

9. Entry tags will be provided by the Society.

PRIZES AND AWARDS

People's Choice Trophy donated by THE GARDEN PLACE 2015

Is awarded to the design, in the designated class, with the most votes from the visitors to the Flower Show. (class 74 for 2022)

Best of Show Trophy donated by PETER HOVESTADT 1999

Is chosen by the judge, from the design or horticulture divisions.

Trophies will be awarded at the November meeting.

HELPFUL HINTS and DEFINITIONS

Please water houseplants the day before the show to eliminate water seepage at the show.

In Horticultural categories, “with **foliage**” is meant to be 1 leaf of the specimen plant, either attached or detached, unless otherwise stated.

Bloom- individual flower, one to a stem. Specimen blooms should be disbudded for exhibition purposes.

Buds- showing colour, are counted as blooms.

Collections- a specific number of cut flowers, potted plants, branches, fruits, vegetables or nuts, exhibited for cultural perfection. (and should be named)

Decorative wood- all types of wood, including bark and woody seed pods that have been waxed, varnished, painted, treated or surface has been altered by the elements.

Dish Garden- a number of horticulturally compatible plants growing in a shallow, open portable container.

Fairy Garden- a miniature scene in a single container often reminiscent of children's stories. Plants may be alpiners, miniatures or parts of larger plants but must have similar growing requirements. Accessories permitted.

Foliage Design-a design in which foliage predominates.

Line Design-Traditional...a design in which linear pattern is dominant.
-Modern...line is dominant and flowers are minimal.

Marijuana- the use of Marijuana in OHA designs is prohibited because it is illegal to transport. Please do not succumb to the temptation.

Miniature Design-a design with max. dimensions of 12.7cm (5”) in height, width and depth including any container, base and/or accessories

Novice-an exhibitor who has not attained a red ribbon in a Design class. A Novice may enter in any other class as well.

Pot et fleur-a combination of growing plants (foliage and/or flowering) in or out of pots, packed lightly in soil and/or other moisture-retaining material, plus cut flowers, in tubes of water, floral foam or other material assembled in one container. Moss, decorative wood or rock may be included. NO CUT FOLIAGE is permitted; cut flowering and or fruited branches may be used.

Repurposed- giving a new purpose or use e.g. using a non-traditional item to display a design.

Scape-a leafless flower stem arising from the ground (e.g. Hemerocallis or Narcissus)

Small Design-a design from 13.9cm to 25.4cm (5.5”-10”) and which must **not** exceed 25.4cm (10”) in height, width, depth including any container, base, and/or accessories.

Spike-an upright stem carrying several flowers which are nearly stemless (gladiola, liatris)

Spray-the terminal flowering growth of herbaceous or woody plant carried on one stem, ideally showing all stages of development e.g. blooms, buds showing colour, green buds and leaves.

Water-viewing Design- a traditional line design, with a dominant line of plant material and great use of space, in a shallow container with ½ to 2/3 of the container surface showing water.

Wayside Design – a design composed of common and plentiful flowers, foliage, fungi and/or weeds of roadsides and meadows. Plant species listed as endangered, threatened, of special concern or invasive should not be used. Check current lists before plucking, please.

***NON-MEMBERS need to pre-register their design classes only, with the Show Chair, Lezlie Miller email: lezliemiller.55@gmail.com or 613-921-9675
