

Hidden Talents Dance Center
Presents...

**MOVIE
NIGHT**

Our 8th Annual Recital

Saturday June 18th, 2022

Welcome everyone to a night at the movies presented by Hidden Talents! I want everyone to get comfortable because the show is about to begin!

This year's recital theme has Hollywood flare, and you'll be seeing films from all eras of pop culture come to life in the eclectic and riveting numbers that we've prepared.

First off, I'd like to thank all the family and friends of the students for being here... Not only will you get to see the hard work everyone has put into what's coming up, but it means the world to everyone performing! Remember, the louder you are, the bigger the smiles will be of the kids on stage! So get psyched!

Before we get started, I'd like to give a quick introduction to the assistant teachers and senior students that make this all possible.

My Assistants: Miss Anita, Miss Elena, Miss Leah, Miss Alyssa, Miss Morgan, Miss Marisa, Miss Laura, and Miss Jenn.

My graduating Seniors who also happen to be my assistants. Miss Sophia, Miss Izzy and Miss Ashley.

Lastly, I would just like to mention that we will have a ton of summer programs going on like a stretch, balance and control workshop by Allison Schieler, a full day intensive with Chad Sapp and a 4 week themed program for our little dancers. As the weather heats up, let's get that passion for dance burning!

I guess that's almost it! Let me leave off with this famous quote from director Stanley Kubrick - "A film is - or should be - more like music than like fiction. It should be a progression of moods and feelings."

Now for the moment you've all been waiting for – ready, set, ACTION!

Thank you,
Miss Jess
