# Learn with Belle

Belle teaches us to be ourselves, that we are enough and we don't need be be anything more!

Have you ever  
exaggerated the truth?  
Why do you think you  
felt you needed to?

<https://vimeo.com/481032189>

What do we mean when we say your truth is  
enough?

Why are you enough just the way you are?

Shoutout to a classmate and tell them why  
they are enough?

# How can you use Belle's lesson to:

- Help an animal?
- Help a person in your community?
- Help yourself?
