

Sample Letter to local fabric/craft store asking for donations for supplies:

Dear _____,

The children in the 2nd grade class at _____ Elementary School in _____ are learning to be caring and compassionate citizens through an intensive Lucky Dog - Humane Education Program. The Lucky Dog curriculum focuses on kindness, respect, compassion and commitment to both people and animals. Our lesson this month revolves around building empathy for shelter dogs. To enrich their learning, the children will be making braided fleece dog toys to donate to the dogs at the local shelter.

The children and I are hoping your store is able to donate remnants of fleece fabric so that we can make as many toys for as many lonely shelter dogs as possible. The children are willing to put in many hours of work, as long as they have the materials to make them.

To thank you for your donation, the children plan to make a poster honoring your store to hang at the shelter.

You can contact me at (email) or (phone number)

We look forward to hearing from you!

Sincerely,
