

## Spay and Neuter Do NOT Litter game

### Make the Game:

Spay and Neuter game pictures is with poker style chips but can be played with color paper or card stock.

- Print cat cards (included) in 4 different colors of paper/cardstock.
- Cut apart (8 cats per sheet)
- Make “color” dice out of a foam block. Put the 4 colors on 4 sides and “Choose a color” on 2 sides
- Make a number dice out of a foam block with 3,4,5,6, Fix, Fix on the 6 side

### Play the Game:

#### “Spay and Neuter – Don’t Litter” Game

Goal is to “Fix” all of your cats. Player/team that fixes all their cats first or has the lowest number of unfixed cats when time is up wins the game. (Similar to UNO, goal is to have no cat cards)

- Each player/team starts game with 1 cat of each color
- Take turns rolling the dice and add kittens or FIX (spay/neuter) cats
- Goal is to NOT add kittens. The goal is to FIX ALL of your cats to win the game.
- If dice lands on “choose a color” player can choose the color of cat they have the least of (or most of if they get to “fix”).

### After the Game:

- What did the game teach you?
- Do you see how quickly pet populations grow?
- Raise you hand if you promise to FIX (Spay and Neuter) your pets!!
