

Student Report: Poster Ideas

- Pictures of animal
- List and pictures of food animal eats
- List and pictures of shelter animal needs
- List ways to help animal stay safe in your community

Respect Wildlife

Attention All Arctic Ground Squirrels

Warning!
Refuse all handouts from humans. They mean well but their food will make you slow and fat...easy bear bait. Revert to natural foods for your own survival. Do not accept human handouts.

- Avoid wildlife during sensitive times:
 - mating, nesting, raising young, or winter.
- Observe wildlife from a distance
- Do not follow or approach wildlife
- Never feed animals.
- Store food and trash securely
- Control pets at all times
