Hello,

Welcome to the Uptown Charlotte neighborhood!

Flowers Plus has been here in Uptown Charlotte for over 34 years, through all the development and fantastic new neighbors arriving daily. We're excited about the future of the Uptown area and look forward to what's coming.

We're the only full service florist in Uptown, with professional designers working for you to create arrangements for birthdays or anniversaries, wedding, funerals or any occasion.

Flowers Plus has built a reputation for communicating feelings through beautiful floral arrangements. We always go above and beyond for our customers and our community. Whether you're looking for a classic, trendy, or offbeat arrangement, your experience will start with our team listening carefully to your needs. We'll craft a customized arrangement that reflects your sentiments and the occasion it's for, while only using the freshest flowers.

In addition to going the extra mile to make our customers smile, we also work with community groups and local charity organizations to make a difference in the lives of our neighbors.

When you want the freshest flowers and most creative arrangements, visit us online at [thecharlotteflorist.com](http://thecharlotteflorist.com) where you can see all of our standard offerings or call Flowers Plus at (704) 342-4529 to discuss something designed especially for you.

We're looking forward to meeting you and working with you.

All the Best,

Joel Houston and
