Pioneers is a network of Volunteers

Pioneers is a network of volunteers who affect immediate, tangible change in local communities.

The Pioneers have a long legacy of volunteerism, dating back to 1911 with 734 members, including Alexander Graham Bell. Today the Pioneers are over 425,000 strong and are the largest group of industry-specific employees and retirees dedicated to community service.

Get Involved!

Our projects are as diverse as the communities we serve. We focus our efforts on five initiatives to make a difference in the unique needs of our hometowns.

Education

Our educational programs emphasize literacy, personal development, technological skills and mentoring.

Life Enrichment

We care for senior citizens and people with disabilities by building wheelchair ramps and educating seniors on modern technology, to name a few.

Health and Human Service

In times of crisis, the Pioneers are there to help. From stocking food banks during natural disasters to providing gifts for children in need during the holidays, no need is too big or too small.

Environment

Caring for our environment is important to Pioneers. You will see us cleaning up parks and beaches, building trails and ramps and championing recycling projects.

Military

We support our military by providing care packages for those serving overseas and helping the families here at home stay connected.

Join us!

We want you to join us in making a difference. Your membership in Pioneers gives you access to the many member benefits offered by our affinity partners. Each of our benefit partners are carefully chosen to provide the best discounts and value for our members.
