

Millbrook High School Marching Band 2022-2023 Marching Band Fair Share Obligation Contract

Each student who registers for marching band (or other band programs) is automatically set up with a Fair Share account. Monies deposited into their Fair Share account will be used to pay for their membership in MHS band programs. Monies raised through fundraising will be directly applied to their Fair Share accounts (unless otherwise designated by the Band Boosters). For full information on fair share procedures please review the Fair Share Policy on Millbrook Bands Website (millbrookbands.org)

Mutual Consent

I, the undersigned student **and parent**, accept membership in the Millbrook High School Marching Band and understand that I am financially responsible for the entire fee (\$800). I understand that if financial hardship is an issue, I must reach out to the Band Booster treasurer, Jennifer Mulrooney (mhsbandboosterstreas@gmail.com) prior to May 25th to discuss options. I understand that failure to submit my initial deposit of \$200 by May 27th will result in the drill being written with me as an alternate (you will not have a designated spot on the field). I understand there will be a \$25 fee for returned checks. Furthermore, I understand that I must meet all financial obligations even if the student withdraws or is dismissed from the program, unless arrangements are made in advance. I understand that failure to pay the entire Fair Share amount will affect the student's ability to participate in future band programs. I understand any outstanding balances not paid by February will be turned over to the school bookkeeper for collections (this could affect future parking passes, off campus lunch privileges, graduation).

By signing the "Mutual Consent" I agree to pay my full "Fair Share" marching band cost of \$800 (\$832 if paying by PayPal). All payments are non-refundable. Full fair share payment is required even if participation is terminated prematurely.

By signing the "Mutual Consent" I agree to the policy and procedures outlined in the Fairshare Policy and Band Handbook.
