Doing Things Right the First Time

A MESSAGE FROM OUR CHIEF EXECUTIVE OFFICER

Andre P. Harrell II

Welcome to Dependable Medical Group Inc.! My name is, **Andre P. Harrell II**, and it is both an honor and a privilege to serve as Chief Executive Officer of this organization. Launching this journey has been exciting, challenging, and incredibly rewarding. From the beginning, our focus has remained clear: building strong relationships with Waiver Support Coordinators and ensuring the highest standards of compliance and quality care.

While growth often happens quickly, we believe in doing things right the first time. When faced with demanding responsibilities and seemingly insurmountable challenges, taking shortcuts can be tempting. However, shortcuts often provide only temporary relief while creating greater obstacles in the future. I firmly believe that the work we are called to do is greater than our momentary feelings, and that the responsibilities we neglect today can have a lasting impact on the lives of those we serve tomorrow. From day one, our team made a commitment to be **dependable** for our clients, their families, and one another.

Through meaningful partnerships, trusted advocacy, and an unwavering commitment to excellence, we remain dedicated to empowering individuals and supporting families throughout their journey. We look forward to continued growth, lasting connections, and the opportunity to help even more individuals thrive, achieve their goals, and champion their everyday lives.

Sincerely,

Chief Executive Officer

Dependable Medical Group Inc.
