WINTER WEATHER CLOSURES

Safety is our main concern. As a general rule, if schools are closed, we will be closed. Our locations are not essential that get plowed immediately (like a hospital), so often while the roads may be clear, our parking lots are not cleared or may be icy and dangerous. A workout isn't worth any of our members or staff getting hurt, so we will do our best to notify you as soon as possible of any closures. Our standard is if schools are closed, we are closed.

We take our primary lead from the local school districts such as Matawan/Aberdeen, Monroe Twp., Spotswood & East Brunswick regarding closures. If they are closed, it's a safe bet we are closed too. If schools are on delayed opening, then morning classes are cancelled.

Notifications will be sent by email and text messages, so if we don't have your email or cell number please let us know as soon as possible so we can update our records.
