Mission: To spread the Good News of Jesus Christ to rural school-aged children through evangelism, discipling, and multiplying by means of well-proven methods.

Reaching the Next Generation for Christ in East Africa

At **The Kingdom Builders Ministry**, our mission is simple yet powerful: *to reach children in East African countries through vibrant, Christ-centered school ministries*. From the very beginning, we have believed that every child deserves to know the love of Jesus and the hope of His Word—right where they are, in their schools and communities.

When we began, our vision was small but full of faith. In our first year, God enabled us to reach just **300 children**. We planted seeds of faith, built relationships with local schools, and partnered with dedicated teachers who had a heart for discipleship. Today, we stand in awe of what God has done. As we enter the fall of **2025**, The Kingdom Builders Ministry now reaches **over 149,000 children** across East Africa! This incredible growth is a testimony of God's faithfulness and the generous support of believers like you who share our passion for the next generation.

Our Mission in Action

Every week, children gather in classrooms and under trees to hear Bible stories, sing songs of praise, memorize Scripture, and pray together. Our local missionaries serve tirelessly to make this possible. They teach, mentor, and train volunteer teachers who continue the ministry in schools and villages long after we leave.

Through these ministries, children are not only hearing about Jesus—they are experiencing His love firsthand. Many go home and share the Gospel with their families, bringing transformation to entire communities. Our focus remains on sustainability, discipleship, and leadership development, ensuring that this movement continues to multiply for years to come.

This Year's Miracle: A New Church in Laisamis, Kenya

We are thrilled to share one of the most powerful testimonies this year. Through your prayers and generous donations, **a brand-new 60x60 church was built in Laisamis, Kenya**, for a once-pagan tribe who previously had no access to transportation or a place to worship.

"They were from every race, tribe, nation, and language, and they stood in front of the throne of the Lamb" Revelation 7:9

On the very **first Sunday service, 1,300 people** gathered to praise God together! What an incredible picture of God's grace and the transforming power of the Gospel. This church now stands as a light in the desert—a place of worship, community, and hope for generations to come.

Our 2026 Wish List and Vision for Growth

As the ministry expands, so do the opportunities—and the needs. We are trusting God to provide for several key areas that will help us reach even more children and equip local leaders:

1. **15 Wordless Book Bags:** This special teaching tool allows our missionaries to share the gospel while captivating the attention of children using seemingly “magic” bags.
www.letthelittlechildrencome.com/child-evangelism-tools - \$21.95 each
2. **Monthly Support for 11 Missionaries (\$1,100 per month):** Our frontline workers are the heartbeat of this ministry. Regular financial support ensures they can focus fully on reaching and discipling children without worrying about their daily needs.
3. **A New Training Center in Kenya:** This center will allow us to train Sunday school teachers and local ministry leaders more efficiently and affordably. By hosting training sessions locally, we can multiply our impact and equip more leaders to carry the vision forward.

You Can Make a Difference

Your partnership makes all this possible. Whether through prayer, monthly giving, or one-time gifts toward our wish list, every contribution builds the Kingdom. Together, we are shaping the future of East Africa—one child, one classroom, one community at a time.

Join us in this mission to bring the light of Christ to the next generation. Visit **www.thekingdombuildersministry.org** to learn more, donate, or become a monthly partner.

Let's keep building His Kingdom—one child at a time.

For the Children,

Shiela Noel
