LEAVE OF ABSENCE

2025 PARENTAL LEAVE

Sep. 2025 · French law permits 25 days of parental leave to partners who do not give birth. My second child was hospitalized for two weeks after my leave ended.

2020 PARENTAL LEAVE

Oct.–Dec. 2020 · My first child's birth coincided with the early phase of COVID and left me isolated in home office in Germany with a toddler aside. It significantly delayed the submission of my dissertation. Whereas my official parental leave lasted only two months, I took over care work after my contract ran out while my wife returned to work. Plus, I worked as a remote part-time research assistant in the project on the *Emergence, Life, and Demise of Autocratic Regimes* at the University of Oslo when my wife was off duty.
