WHAT WE'RE LEARNING

2/9-2/13

Reading

This week we learned about the beginning blends dr, tr, cr, and fr. We learned sight words one, more, into, and your. We also learned about counting syllables.

Math

This week we continued our lesson in answering true or false questions. We will have a unit test on Thursday, February 19.

Social Studies

This week we learned about Henry Box Brown, Martin Luther King Jr, and Toni Morrison.

Science

We will be pausing our science curriculum in order to finish our Black History month lessons to get students ready to complete a project at home. Details about the project will be sent home soon.

NOTE FROM THE TEACHER

Assalamu Alaikom parents!

Congratulations to all students on their participation in the Spelling Bee. Now that the spelling bee is over, we will go back to our weekly spelling tests. We will have at least 15 words per week with any bonus words being extra credit.

Just as a reminder that uniform is a plain light blue shirt and navy blue pants.

We will not enforce the behavior plan mentioned last week anymore. Instead, starting on Monday, we will use the red, yellow, and green behavior chart. At the end of the day students who are on green will receive a hole punch to their punch card. When they receive ten hole punches they get a pencil buddy. Students on yellow will not receive anything, and students on red will have a reflection sheet to complete and send home to get a parent signature. This system refreshes every morning to give students another chance.
