WHAT WE'RE LEARNING

- **Reading**

This week we reviewed letter sounds Q-Z. Then reviewed all the sounds collectively.
- **Math**

This week we reviewed addition and subtraction.
- **Science**

This week we continued our 5 senses pre-unit by focusing on smell, taste, and sight.
- **Social Studies**

This week we talked about how we can be helpful at home, at school, and in our community. We also talk about our emotions.

NOTE FROM THE TEACHER:

Assalamu Alaikom!

This week we continued our review. InshAllah next week we will begin our curriculum for all subjects! This also means that students will also be graded on their work.

Next week we will also begin having our weekly reading fluency test, spelling test, and math quiz. In reading we will focus on the short a sound along with sight words see, the, to, and. In Math we will find partners to make 10.
