WHAT WE'RE LEARNING

Reading

This week we reviewed the sound the letter "a" and "i" make by reading our texts, "Can I help?" and "Kids Can!"

Math

This week we reviewed teen numbers using our tens and ones. We also reviewed adding three numbers.

Social Studies

This week we continued to focus on different communities we can find around the world.

Science

This week we continued learned about parts of animals.

NOTE FROM THE TEACHER

Assalamu Alaikom parents!

I want to say Jazakallahu Khairun for your support these past few days. I am always open to meet with you in regards to your child's behavior and progress, outside of dismissal time. Feel free to message me through Class Dojo for any concerns or questions. My main priority will always be what's best for the students.

Once we come back from Thanksgiving Break, we will continue to focus on communities and animal parts. We will start our lesson on the letter "e" and will start a new lesson about adding double numbers like 7+7. Please continue to send a healthy snack with your child. Jazakallahu Khairun.
