

Assalamu alaikoum Wa Rahmatu Allhi Wa Barakatuh

My name is Mrs. Reema Dana, this will be my first year teaching at the ICCI Academy School. I am so excited and thrilled, to be part of the ICCI Academy family. I graduated from Northeastern Illinois University in 2017 with a bachelor's degree in History. Additionally, I have countless hours of teaching experience that I have gained throughout the years working with different public and private schools.

I am looking forward to teaching your child this year. With the blessing of Allah and your help, I am positive that your child will be equipped with all the skills needed to succeed in the real world.

Sincerely,

Mrs. Dana
