

Welcome Pre-Schoolers

Ms. Walla

Pre-School Weekly Newsletter

Dear Family,

Welcome to our school! Welcome to ICCI Academy Preschool. We are delighted that your child is part of our preschool family. I look forward to getting to know each child as we grow together this year. We have created this newsletter to keep you informed of what is happening in the classroom. Every Friday, a new newsletter will be posted online to inform you what we are learning about the following week. This newsletter, will give you insights about activities beginning Tuesday, September 4, 2018.

The beginning of the year, we will spend a lot of time talking about rules, responsibilities, and manners. Our lessons and activities are centered and are focused on these areas in the classroom.

Children will also learn how to responsible by organizing the classroom, putting items back where they go. Everything in our classroom is organized in a certain area, and it will remain the same through the school year, so it is important that's students explore the classroom on their own, to know where these items belong.

Reminders!

1. **No School** on **Monday, September 3, 2018**
2. Every **Friday** school ends at 2:30.
3. Make sure your child has extra clothes.
4. Open house will be **Friday, September 7, 2018** from 3 to 6.

Any questions or concerns feel free to contact me 773-225-7273.
