

Mrs. Reema's 3rd & 4th grade

Monday: We started the week of to a great start with lots of refreshed brains ready and eager to learn. Each student received a school planner to better organize themselves in school. Thanks to Mrs. Awad 's generous donation of the planners.

Tuesday: Students earned extra recess time because of their exceptional behavior during the day. We also read a book called "The Book Report." It taught us a very valuable lesson about how sometimes we might not like something but when we give it a chance; we might change our minds because we realize we actually do enjoy it.

Wednesday: Students continued to sharpen our skills in our math facts. Each student had a chance to try to bet his or her own record.

Thursday: Students learned all the different ways math is incorporated in our lives and it turns out math is EVERYWHERE....from counting our pencils, to checking what time lunch is, to finding our way back home on a map.

Friday: All praise to Allah (swt). This week's weather has been extremely pleasant, making it a wonderful atmosphere for learning and growing together.

REMINDERS

- READ EVERYNIGHT FOR 20-30 MINUTES
- SCHOOL BEINGS PROMPTLY AT 8:15 AM
- PLEASE BRING A HEALTHLY SNACK FOR SNACK TIME

Next week...we will start reading, *Charlie and the Chocolate Factory* by Roald Dahl, illustrated by Quentin Blake. Please have one for your child by Wednesday, September 19, 2018. You could check one out at your local library.
